

KELLER NOT CALLED FOR SENTENCE

RECORD FAILED TO ARRIVE FROM SUPREME COURT.

Jury in the Surovitz Case Convicted the Father and Allowed the Son to Go Free—He Will Be Called for Sentence Wednesday—Sentence Was Suspended in the Case of Dr. Villone, Who Illegally Practiced Medicine—Sentences That Were Imposed on Saturday.

The record of the Supreme court in the case of Joseph Keller, who was convicted of killing Peter Mayer, did not arrive as expected on Saturday, and District Attorney Jones, in consequence, had to postpone bringing Keller before the court for re-sentence until this week.

The jury in the case of Jacob Surovitz, charged with receiving stolen goods, returned a verdict of not guilty on Saturday, but convicted his son, Michael, on the same charge.

Dr. Joseph Villone, of Ninth street, who pleaded guilty to the charge of illegally practicing medicine, was called before Judge Gunster on Saturday for sentence. W. R. Lewis, his attorney, moved for a suspension of sentence, on the grounds that the doctor had no intention of practicing illegally.

In the case of the Commonwealth against Evan Tucker and T. J. Masey, who were tried for larceny by bailles, a verdict of not guilty was returned Saturday.

Michael Coggins was sentenced to \$1 fine and three months in the county jail for assaulting Thomas Ruddy.

James Murphy received a sentence of four years and \$100 fine for highway robbery.

Anthony Roth, of Thoron, was fined \$500 and given three months in jail for selling without a license.

The Girl of the Class of '99

Not the least part of our early summer attentions is directed toward the interest of the GRADUATING GIRL. We have followed this bent for so many years that it has become a speciality with us; yes, and a perfected speciality. We have first studied the fashions that pertain to these wants.

All graduating girls, even those of limited means, when arranging for their gowns for these supreme occasions, plan for an attractive ensemble.

This is a helpful store. Whether your taste be hampered with a limited purse or not, you'll find here just what you'll need, and at just the prices which you have planned to expect.

We said this was a helpful store. As proof, we have prepared a little booklet on

Fabric for Graduating Gowns

which not only dwells on its title subject, but hints at the trimmings, etc., that are charming and stylish. We are not only Fashion Sellers, but we are Fashion Writers—we therefore think this little booklet and its accompanying samples of correct FABRICS will interest you.

A postal card request and the post-man will bring it to you; and we thank you beforehand for even that limited opportunity of serving you.

STATE OF HARD COAL TRADE.

It Is Rather Featureless Just at This Time. The Engineering and Mining Journal of Saturday said about the condition of the hard coal trade:

"The anthracite coal trade is rather featureless just at present. The action of the sales agents at New York in fixing list prices to date from May 1st was followed by similar action at Chicago and Buffalo. The list prices are not excessive, and there is nothing to prevent a fairly profitable year to the mining interests but the ever present possibility of some one company selling more coal than its competitors think proper. Things are pretty harmonious just now, however, with a good prospect of remaining so."

The smaller independent operators have said little during the week, their threats regarding the new railroad not having troubled the main line people much. The probabilities favor a renewal of contracts with the anthra-

cite rods on substantially the old terms. At the head of the lakes the docks have been pretty well cleaned up and things are ready for receiving coal. The ice on Lake Superior is reported very rotten and it is possible that vessels may be through the Sault next week."

A TRIBUTE TO ADMIRAL DEWEY

Written for The Tribune. Let happiness reign on this morning In pleasure let time pass away. George Dewey, our friend, we will honor, To him best respect let us pay. A lover of his noble country; A man whom the world knoweth well, Who on that fair morn at Manila Fought the Spaniards with shot and hot shell.

George Dewey, the brave, and the famous, Who stood for Old Glory, so true, The handsome, the pretty, the beautiful, Our colors, the red, white, and blue; Who performed his whole duty, so clever, With no fault or favor and never; Forget Dewey's grand work? No never; But keep him forever in mind.

Long life to the intrepid sailor, A hero of heroes, the brave, Who feared not the foe at the harbor, As he fought our great nation to save. On deck, like a rock, he stood firmly, With his great American plan; And did it so neatly, completely, Without loss of a ship or a man.

George Dewey, esteemed as the highest, The pride of a nation, so dear; The greatest, the noblest, and grandest Of our country's heroes and men; We claim the best and the bravest, Since dawned that first morning in May. His name should be ever the grandest Especially on Dewey Day. —John F. Jones, Wilkes-Barre, Pa., April 25.

"Ignorance of Law," Excuses No One.

This maxim applies with especial force to ignorance of the laws of health. Every man and woman of intelligence knows the physical fact that the blood reaches the remotest parts of the human body. If there is a disturbance anywhere, why should one ignorantly suppose that the seat of the malady is local?

Is it not more rational to suppose that the impure condition of the blood is doing the mischief, as it is? Experience has demonstrated the fact that this is the case in 95 per cent. of complaints.

If your "life blood" is pure, nature will take care of the rest. Hood's Sarsaparilla enables you to cleanse your blood of all impurities and make it strong and wholesome. It never disappoints.

Scrofula—"I am 77 years old and owe my good health and steady nerves to Hood's Sarsaparilla, as it cured me of scrofula, rheumatism and catarrh. It has prolonged my life." JAMES BROWN, 83 East View Ave., Cleveland, Ohio.

Debility—"I was weak, run down and nervous. Severe rheumatism in my knees, with heart trouble, Hood's Sarsaparilla made me strong and new. It is an honest medicine." CHARLES HADENBROT, Amsterdam, New York.

Blotches—"My face used to be covered with pimples and blotches and I suffered from continuous headache. Hood's Sarsaparilla which cured me, also of indigestion and kidney trouble. It gave me strength and good appetite." Mrs. O. J. PHILLIPS, Pontiac, Mich.

Catarrh—"Many years suffering from catarrh makes me appreciate Hood's Sarsaparilla which cured me, also of indigestion and kidney trouble. It gave me strength and good appetite." Mrs. O. J. PHILLIPS, Pontiac, Mich.

Weakness—"I bless the day I heard of Hood's Sarsaparilla as it cured me of extreme weakness after grip, built my husband up after pneumonia, cured eczema and blood poisoning in our children." Mrs. M. A. DUNWORTH, Box 4, Embreeville, Pa.

Hood's Sarsaparilla Never Disappoints.

Hopeless Sufferers

"Hope Deferred Maketh the Heart Sick."

In a city like Scranton there must be many hundreds of disease-stricken mortals who, after having been buoyed up by unfulfilled promises made by unskilled or catch-penny doctors for several years, have almost resigned themselves to their fate, and grown sick at heart in despair.

Cheer Up Suffering Ones

Do not let hope die. There are no two physicians in this state that have had more experience or more thorough insight with every form of disease that flesh is heir to than the undersigned have had, and while we cannot cure in every case, we stand ready to prove that the percentage of perfect recoveries to our credit is phenomenally large, and we will at least be honest enough to tell you at the outset whether or not we can cure your case.
