is not only the oldest, but the

"Best" is an easy boast. But there's no best without a test. You expect something extra of best; something extra in bread from best flour ; something extra in wear from best cloth; something extra in cures from best medicines. It's that something extra in Ayer's Sarsaparilla that makes Aver's the best. That something extra is quality. Remember, it's quality that currs, not quantity. Geo. Smith, of the People's Drug Store, Seymour, Conn., says : "I have sold your goods for twentyfive years, and when a customer asks me for

# The Best Preparation for the **Blood**

I say : ' If you will take my opinion, use Aver's Sarsaparilla; I will guarantee that you will receive more benefit by using one or two bottles of Aver's than you would by using half a dozen bottles of some other kind.' When they take it I never hear any complaint," . Ada

Ayer's Sarsaparilla cures all diseases that have their origin in impure blood : sores, ulcers, boils, eruptions, pimples, eczema, tetter, scrofula, etc. It cures cheaply, it cures quickly, and it cures to stay. That's why it's best.

- "After twenty years' experience as a druggist, I consider Ayer's Sazsaparilla superior to any similar preparation on the cet, and I give it the preference over all others." A. C. WOODWARD, Worcester, Mass. market, and I give it the preference over all others.
- "In our estimation, as regards Sarsaparilla, Ayer's is the standard. We have never heard it spoken of in other than the W. E. TERRILL & CO., Pharmacists, 9 State Street, Montpelier, Vt. very highest terms."
  - "I consider Aver's Sarsaparilla the best blood purifier on the market." DR. GRISE & CO., West Gardner, Mass.

"During fifteen years of experience with Ayer's Sarsaparilla, I have yet to learn of a single case wherein it failed to cure if used according to directions. F. O. COLLINS, Druggist, Paris, Mo. "I believe Ayer's Sarsaparilla contains more medicinal value than any other similar compound."
