DEFEAT FOR SCRANTON

Doherty's Costly Errors Were Largely Responsible for the Result. Hodson Was Injured and Had to Retire.

About 700 spectators witnessed the defeat of Scranton by Wilkes-Barre at Athletic park yesterday afternoon by the score of 10 to 2. The game was closely contested up to the eighth inning, when Wilkes-Barre bunched her hits and made six runs.

The crowd was not as enthusiastic yesterday as on the opening day, especially after Wilkes-Barre's runs came thick and fast. The game began at 3:30 with Knoll at bat, who sent a fly over Burns' head. Knoll was followed by Lippert, who took first on balls. Dillon followed with a sacrifice hit. Eagan next came to bat. Everyone expected to see the ball sail over the left field fence and Knoll and Lippert score, but their hopes were crushed, for Pete lined out to Burns and was thrown out at first. Knoll scored a run.

With two men out and every one on the anxious bench, Doherty came to bat, who lined to Atherton and was thrown out at first. The inning closed with one run, and every one happy to know Scranton had led off so nimbly under such hard conditions. Wilkes-Barre came to bat, but dropped off in one, two, three, but Clymer sent a fly to Eagan, Odwell was thrown out at first by a brilliant stop and throw by Doherty. Halligan followed by flying out to Lippert, making three out, without getting in sight of first. When Scranton came to bat in the commencement of the second inning, the men were disposed of in one, two, three order; the same being the luck of Wilkes-Barre.

At the beginning of the third inning, Scranton started poorly. Knoll lined a fly past second base. Lippert rounded one to Halligan, who was unable to reach it. Dillon followed with a fly to Odwell. Eagan then batted a grounder to Goodwin, who threw him out at first, making the third man out. Lippert was again left on first. The game was evenly contested in this way until the eighth inning, when eight runs were scored by Wilkes-Barre. At the beginning, Clymer sent an infield fly to O'Connell, who safely gathered the ball in, retiring Clymer—one man

out. Odwell was next to bat, who got first on an error by Doherty. Halligan sent a long fly in right field, Odwell taking second base. Goeckel came next and was successful in reaching first. Burns sent a liner over third base, Goeckel going to second. Atherton helped the game along, and so on, until six runs were made.

There were no special features during the game, aside from the excellent work of McMahon. Doherty was very weak at third. He made three costly errors. There were no errors for Wilkes-Barre. Hodson pitched an excellent game, giving but one man base on balls and that was Halligan, in the last half of the seventh inning. Hodson met with a painful injury during the last half of the eighth inning. While stopping a hot liner his left hand was split quite badly; Allen taking his place. The first ball Allen threw was a wild pitch, but he soon got down to good work and made Wilkes-Barre guess. The score:

Won Out in the Ninth. Lancaster, Pa., May 5.—After having apparently won an uphill game by terrific hitting, in the ninth inning Lancaster today lost to Paterson by a score of 15 to 4. Herwig's witness in the first two innings caused Lancaster's defeat. Frye was batted hard and Bowen was not much more successful. Paterson fielded well. Score: R.H.E. Reading Shuts Out Allentown. Reading, May 5.—The Allentown club was shut out by the locals in a well played game by 4 to 0. Murphy pitched a very steady game and received excellent support. Stimmler also pitched a good game but was a little wild. Several catches of difficult flies by Betts and Tate were of the sensational order. The playing of the Delehantys, Cockman and Childs were features. Score: R.H.E. Reading 0 0 0 0 0 0 0 0 0 0 Allentown 0 0 0 0 0 0 0 0 0 0 Batteries—Murphy and Fox; Stimmler and McManus. Damaging Errors Did It. Newark, May 5.—Damaging errors were responsible for Newark's defeat today, three of the four figuring in the run getting. Both pitchers did excellent work, that of Herndon being slightly the better. Seybold drove the ball over the fence in the eighth inning with one man on base. Score: R.H.E. Dyspepsia and Indigestion

To get rid of these ailments, start at the seat of the trouble, by setting the stomach right. The genuine Johann Hoff's Malt Extract when taken with meals, will greatly aid digestion, and enable you to obtain as much nourishment as is possible from your diet.

Johann Hoff's Malt Extract

is not a mere tonic—it is a food as well.

Mme. Melba writes: "I highly commend the genuine Johann Hoff's Malt Extract. I use it with my daily diet. It improves my appetite and digestion wonderfully." Johann Hoff, New York, Berlin, Paris.

DIAMOND PICK UPS.

Allen will go in the box today. McMahon's work at short was of the finest character. Scranton has dropped to fourth place. Paterson takes a jump. Reading now leads the Atlantic league, Newark taking second place. Doherty's three costly errors went rough with the Scranton men. Wilkes-Barre rather liked it.

AMATEUR BASE BALL NOTES.

The Twilight will accept the challenge of the Young Americans for a game on Saturday, May 13, 1899, and will meet them at the corner of South Main avenue and Hampton street at 8:30 o'clock. They will play any team under 12 years of age. Evan H. Bevan, manager; Palmer Beynon, captain. They will play them on the West Side 'Brooklyn' grounds. The Black Diamonds accept the challenge of the Green Fielders for a game on the Tunnel grounds. Will meet you at Pitson avenue and Fig street at 2 o'clock Saturday afternoon. James Holland, manager. Six of the South Side Rattlers defeated the Young Sports by a score of 12 to 9 yesterday. In the fourth inning there was a wrangle over the score and the Sports refused to play. The umpire gave the game to the Rattlers. The Arrels, Jr., accept the challenge of the Young Americans on the Moses Taylor hospital grounds at 2:30 o'clock.

REAL ROUGH RIDERS.

Buffalo Bill to Have Many of Roosevelt's Regiment in His Exhibition.

There seems to be much anxiety on the part of many residents of Scranton to see the original members of Roosevelt's Rough Riders in action. Colonel Cody (Buffalo Bill) will give the anxious ones a chance to see what they have for a long time wished to witness. He has, after considerable trouble, succeeded in securing twenty-five of these famous warriors. Men who actually saw battle, took part in skirmishes, and in fact were wounded in different engagements. These men are known the world over, and have been secured especially for the great heroic charges up San Juan Hill, to be accurately reproduced by this organization, which will be shown here on Monday, May 22. These Rough Riders are only part of the six hundred persons who are to truly represent to the people the Rough Riders of the different nations, including war painted Sioux chiefs and braves, sleeky Cossacks from the Caucasus, fanatic Bedouins on their Arabian steeds, Lancers from the Queen's Own company, chasseurs and cuirassiers from the crack cavalry regiments of their native countries, Thakans, South American gauchos, detachments of United States cavalry and artillery, Mexican rurales, vaqueros, Callos, dashing cowboys, scouts and frontiersmen, Texas rangers and others. Miss Annie Oakley will introduce many new and novel shots never accomplished by any other sharpshooter, and Johnny Baker will appear in remarkable feats with the rifle. Colonel Cody will appear at every performance.

GREAT SAVING POSSIBLE.

What a Sewer View Would Cost Under the Proposed System.

At the request of The Tribune, City Engineer Phillips yesterday made an estimate of what a sewer view would cost under the system suggested by him in his annual report and approved by the select council, namely, to have court appoint the viewers from among the members of his corps. The result is simply astounding. He took for example a sewer system recently viewed at an expense of nearly \$2,000. Allowing \$1.50 a day for the wages of the viewers he figured that he could make the view complete for \$57. And this too, was the maximum, he said.

One of the worst instances of this legalized what-ever-you-want-to-call-it, was the viewing of the Honedale street and Von Storch sewers. There are fourteen properties in the district and the sewer cost \$1,313. The court allowed the viewers \$193.32 for making the view. In plain language the city paid three men nearly \$200 for performing the stupendous mathematical feat of dividing 1,313 by 14.

The measurements and calculations could be made by his men in an hour, Mr. Phillips says. The serving of notices could be done in ten minutes, and the hearing of appeals in a single evening.

It is earnestly hoped by the city officials that the court will fall in with the engineer's idea.
