Ing Chief Hickey: The Century Hose company, No. 19, Scranton fire department, in regular session assembled, by their committee, de-sion assembled, by their committee, de-sire to express to the public the senti-ments not only of the Century Hose com-puny, but of the entire department in the summary and unwarranted removal of P. J. Hickey as chief of the department without the proper consent of select council.

We hereby enter our selemn protest against this ill-advised action, for the reason that the harmony and efficiency of the department has been impaired and dissensions brought about.

It is needless for us to eulogize the Century Hose company, for in the face of the inestimable work done and at great expense the annual state conven-tion of volunteer firemen was brought to this city by them, and we feel our duty to ourselves and the department in general to make known our disapproval at this time on the eve of our fair and con-vention, the unprecedented action of our mayor in this matter. David Cosner, of Newton, died May 4. n his eighty-sixth year. Mr. Cosner was orn in Susrex county, N. J., in September, 1812. His father and brother moved from New Jersey to Pennsylvania when he was but four years old. He had lived on the same farm which he improved from a forest to its present high state of cultivation. are sick too often. It is true that many women are compelled to look forward to times when they are unable to attend to social or business duties. Their appearance plainly in dicates their condition and they are reluctant! to be seen, even by their friends. Read what a business woman says to such sufferersy

Mrs. C. W. Mansfield, 68 Parrar Street, Detroit, Midh., says: "A complication of female silinents kept me awake nights and wore me oul. I could get no relied from medicine and hope was slip-ping away from me. A young lady in my employ gave me a box of Dr. Williams' Fink Pills for Pale People. I took them and was able to rest at night for the first time in months. I bought more and they oursed me as they also cured several other people to my knowledge. I think that if you should ask any of the druggists of Detroit, who are the boat buyors of Dr. Williams' Fink Pills they would say the young women. These pills certainly build up the nervous aysion and many a young woman owes her life to them. "As a business woman I am pleased to recommend them as they did more for me than any physician and I can give Dr. Williams' Fink Pills for Pale People credit for my general good health to-day."

Dr. Williams' Pink Pills for Pale People are for sale by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes, \$2.50, by the Dr. Williams Medicine Company, Schenectady, N.Y. ** Our new book, PLAIN TALKS TO WOMEN, sent free to any address on request.
