If Chief Loftus could only find the individual who sent in an alarm from Box 62 last evening, and succeeded in bringing out the fire department on a jump, he would give the matter such particular attention that the occursence would not happen again at the hands of that seeker for excitement. There was a runaway on Railroad street and a carriage was wrecked, and some one who turned out with hundreds of others to witness the excitement, made it more so by sending in an alarm, and in a jiffy the population

of Main street, together with the fire department, was centered in one block, causing a complete jam. The Me-chanics mistook 62 for 26 and went up to the junction on a wild goose chase, Of course, there was no fire on either end of our main avenue, but the occur-rence furnished plenty of excitement, and uncalled-for exercise for the fire-
