It Might Have Been a Shut Out for the Visitors If Scranton Had Refrained from Costly Errors. Wilkes-Barre Wrested a Game from Paterson by a Narrow Margin—Rain Prevented a Game Between Lancaster and Reading—Results in the National League.

Scranton won from Allentown yesterday despite the costly errors against her. Wilkes-Barre had no runs to spare in her victory over Paterson.

ALLENTOWN DEFEATED.

Doherty and McMahon, by Costly Errors, Gave the Visitors Five Runs—Allen Did the Pitching.

There were only 300 spectators at Athletic Park yesterday afternoon to witness Allentown's defeat by Scranton to the tune of 10 to 5. The game was ragged from start to finish.

Allen's pitching was of a mixed character. West, for Allentown, was speedy, and toward the end of the game was making our men guess.

Scranton was first to bat. Knoll walked, Lippert sent a drive over McIntyre's head for a safety. Dillon sent a fly to Henry, and then Eagan came to bat and was thrown out at first by McCormick. Knoll scored, followed by Lippert, after some pretty stealing. Doherty was thrown out at first by sending a slow grounder to McGuinnis.

With two runs in our favor, Allentown came to bat. McCormick was the first man up. He sent a liner to Doherty, who threw him out at first. Henry flew to Knoll. Joseph Delehanty, Smith and Tate were landed on bases safely. McIntyre came to bat, with three men on bases and two gone. He flew out to Risley, making the third man out.

Scranton made one run in the third. Allentown distinguished herself by making four runs. The runs were made on McMahon's error. Allen became confused and it was some time before Scranton collected herself and braced up. In the fifth inning Eagan and Dillon scored, making seven runs to Allentown's four.

In the seventh, Dillon, Eagan and Doherty each tallied, making the score ten to four. After Allentown's four runs in the third, no runs were made until the eighth, when McManus scored, making Allentown five and Scranton ten. Had it not been for Doherty's and McMahon's costly errors, we could have shut the visitors out. The score:

Richmond, May 8.—Forty-eight hundred people saw Jake Wells' champions win the first game of the championship season here this afternoon from Newark by a score of 7 to 1. The game was an exhibition of hitting. Seybold drove two home runs making five runs. Aside from Seybold's hitting there was no special feature. It was a first class ball game. Music made things merry at the park. Score:

INDUSTRIAL JOTTINGS.

J. M. Knowlton, business agent for the Building Trades council, received a request from Curry & Co., of Danville, asking for four first-class iron moulders and offering $2.25 per day. Word was sent out and the four men secured. Mr. Curry, of the above firm, is a brother of Attorney W. M. Curry, of this city.

Several first-class carpenters will leave here today for Patchogue, L. I., to be placed at work by E. Bailey & Sons, contractors and builders. Business Agent Knowlton is daily receiving requests from out-of-town contractors for good men at good wages.

Two weeks have brought no particular change in the Nay Aug Lumber company's strike.

Orders for May coal are being sent in from all points, and in encouragingly great numbers. The outlook so far as the Delaware and Hudson company is concerned is at least equal to the expectations.

THE MARKETS.

Wall Street Review.

By Associated Press.

New York, May 8.—Liquidation was quite general in the stock market today and material declines prevailed. There was no news of any importance and disappointment at the bad showing of the bank statement on Saturday seemed to color speculative sentiment. Total sales, 1,019,400 shares. Some sharp declines were effected today in active bonds but the higher grade issues only receded moderately. Total sales, $2,750,000. United States new 4s registered and the old 4s coupon advanced ¼ and do. coupon the new 4s coupon, the 5s and the 3s, ½ in the bid price.

By Carrington & Cusack.

New York, May 8.—The market opened lower under pressure from the short interest and free sales by holders, who had become frightened over Sunday. The pressure in Brooklyn Rapid Transit, Sugar and the Grangers was very heavy and caused a sharp decline in prices all along the line, the market at one time being absolutely demoralized. Brooklyn Rapid Transit broke through 72 on the execution of a large stop order. Flower interest being scale buyers all the way down and talking bullish on the stock. Inside buying was notable in several spots and there was heavy covering at times, but the market showed the effects of long selling and although there was a fairly good rally from the lower price, the list did not take on the strength which it has done in previous recoveries.

The market has undoubtedly made a large short interest and is fast getting into the positon where it may be difficult to hold it down. Keene brokers have been prominent sellers throughout the day, and we think Mr. Keene has put out a large line throughout the whole list. He has certainly liquidated his long holdings of Anaconda, Reading, first preferred, and Atchison preferred, and we think has changed his position permanently on the market. There are strong indications that the public is taking fright over something and is selling stocks; we think the fear of adverse legislation and the wild issue of the new industrial securities has frightened buyers and that the market will have two very decided sides to it from now on. The crop reports indicate a condition ofg about 73 per cent., which will be about what the government will show. This condition certainly does not warrant any higher prices for the standard trunk line shares and for that reason, except on weak spots and where the market has collected a large short interest we should advise great caution in going long. The bloom is off the upward movement for the time being and while it is probable we shall have a sharp up-turn within the next forty-eight hours, it will hardly last after the covering movement is over. The close was irregular at a fair recovery from the low prices of the day.
