#### THE SCRANTON TRIBUNE-TUESDAY, MAY 9, 1899.

Mrs. E. M. Hill, of Bergen Street, Brooklyn, New York, says of Warner's Safe Cure:

"My father and husband were both physicians, but I suffered for years. It would be impossible for me to describe my troubles in detail, but I believe all women can understand."

"I have been restored and I wish the whole world could hear me proclaim the good tidings of what Warner's Safe Cure has done for me. God bless the makers of Warner's Safe Cure."

What a difference there is in women! The actual number of years they have lived seems to have little to do with their looks. Some women at 45 look and act younger than others at 30. Their eyes are brighter, their complexions fairer, and there are not nearly so many wrinkles. Old Father Time deals gently with a heal.ay woman, but

when a woman is run down with the drains, pains, displacements and weaknesses pecu-liar to her ser, she ages fast. The winkles come early. The roses in the checks van-ish, and an unwholesome pallor spreads over her features. She becomes nervous, petulant, Edgetty. She loses flesh, aud drags about in a most miserable state of body aud mind. Such a sick woman needs Dr. Pierce's Favorite Prescription. This medicine will restore the looks of younger days by strengthening her in a womanly way. It will do what powders and paints way. It will do what powders and paints and "beautifiers" can never do. It is a non-alcoholic and non-narcotic preparation. The stimulation and strength it imparts are permanent. It cures all the distressing ailments commonly called female troubfor this purpose. When a medicine dealer urges upon you something else as a sub-stitute for it, he is attempting a personal injury. Never take any substitute for Dr.
