REPORT OF SPECIAL COMMITTEE OF SELECT COUNCIL ON ASPHALT REPAIRS.

To the Select Council, Scranton, Pa. Gentlemen: The undersigned, your committee appointed to consider and report upon that part of the report of the city engineer relating to the question of repairing of asphalt pavement in this city, beg to make the following report: Since the year 1886 there has been laid upon the streets of the central, business and residence portion of the city about 250,000 square yards of asphalt pavement...

During the closing weeks of the last council the committee of the two bodies inserted an item in the appropriation ordinance for the sum of \$17,500 for the payment of the cost of repairs to the asphalt pavement during the present fiscal year...

It would seem that the city government in the position of having entered into an obligation to pay a certain sum of money for the performance of a certain class of work—repair of asphalt pavement—is without the funds to discharge this obligation.

They have been issued in Book Form. The long-expected book of the late Thomas P. Ryder is now being issued from the binder and will be sold to subscribers and the public on Monday.

TEDDY ROOSEVELT MAY BE WITH US

ACCEPTS INVITATION OF NEW YORK LETTER CARRIERS.

Special Committee of the Local Association Which Went to New York to Confer with the Carriers of the Metropolis Is Informed That the Famous Rough Rider Had Given Assurance That He Will Accompany the New York Carriers to Scranton and Participate in the Labor Day Parade.

The nation's most interesting personage of today, the gallant "Teddy" Roosevelt, is expected in this city next Labor day, Sept. 4, on the occasion of the opening of the national convention of the Letter Carriers' association.

This information was brought here yesterday by E. E. Robathan, who with John H. Phillips and Michael O'Malley, as a special committee of the local letter carriers, went to New York Tuesday, to consult with the carriers of that region regarding their participation in the parade.

The local committee had a conference with delegates representing the carriers of New York, Hoboken, Jersey City, Newark and Passaic and received assurances that each association will come here for the parade with virtually its full membership.

Three special trains will be run to accommodate the big crowd, leaving Hoboken at 9, 10 and 11 o'clock a. m. The last train will make the run in four hours, the company having guaranteed to land the passengers in Scranton one hour before the time for starting the parade, which is 4 o'clock.

Central Railroad of New Jersey Reducing Passenger Service. After today there will be only one Sunday train running over the Central Railroad of New Jersey out of this city and this one will be the regular through train All local Sunday trains are to be abandoned between here and Wilkes-Barre.

FUTURE OF THIRTEENTH. An Extension of Time May Be Granted—New Army Will Follow Reorganization of the Regiment.

There is a faint possibility that an extension of time will be granted the Thirteenth regiment to effect reorganization of the Eleventh regiment of the Ninth, but there is very little possibility of more than one or, at the most, two of the Thirteenth companies being able to reorganize.

Captain Robbing's Company C has forty-two members enrolled for re-organization, and the number sufficient to fill out the minimum quota can be recruited, the captain says. He was prepared Tuesday night to present a full company for acceptance, but was prevented from so doing owing to the absence of Major Moore.

BANQUET FINALE FOR MALTA KNIGHTS

'99 COMMITTEE PAYS THEIR LAST RESPECT.

Grand Officers and Representatives Who Remained Over Were Shown the Sights and Banquetted Yesterday and Last Night—Few Stayed, Owing to Pressing Business Interests at Home—Mines, Mills, Public Buildings Visited and Trolley Rides Enjoyed—Banquet at the Hotel Rudolph in Conclusion.

All day yesterday the departing trains bore from this city the Sir Knights who had attended the convocation of the Grand Commandery of Pennsylvania Knights of Malta, which was held here Tuesday, Wednesday and Thursday of this week.

During the course of the day, the Sir Knights who stayed long enough to go around were escorted through the public buildings, taken into the mines and mills, and for trolley rides. Other forms of diversion were provided for the pleasure of the visitors by the members of the '99 committee, who so ably and thoroughly conducted the arrangements for the comfort and entertainment of the visiting Sir Knights.

At the hotel in the dining room the tables were arranged in two parallel rows, tastefully decorated with plants and center pieces. The banquetters did not assemble until 10 o'clock. The menu was an excellent one and served in proper style.

At the conclusion of the banquet, Toastmaster Frank H. Young made a few pointed remarks and then introduced Mayor James Moir, who responded to the toast "Our City." Mayor Moir spoke in his usual eloquent and to-the-point style. He was heartily greeted with applause.
