ALMOST BLED TO DEATE.

Mrs. George Peters, of 912 Kynon surget, will in all propability believe in doubt saved as a result of her having had a dream. About 1.20 a. m. yester.

day she awoke from a dream of bleeding to doubt to thad it admost a stern reality. A ruptured blood versel in the right log near the nakle was the cause. She aroused her son and Dr. J. J. Roberts was hastily called. He applied remedies and made Mrs. Peters as comfortable as possible. Last night, though still vory work from the great loss of blood, she was rallying favorably. Some time ago Mrs. Peters was infured in weste relay. a street car accident, and she thinks that the runtured blood vensel is duto her never having fully recovered from those injuries.

Lydia E. Pinkham's Vegetable Compound is for kidney troubles of women. Overwhelming evidence of this is forthcoming. Read the following letters: + 144

Mrs. Anthony Sutter, Crestline, Ohio, writes:

"DEAR MRS. PINKHAM: It would be hard to explain to you my condition before using Lydia E. Pinkham's Vegetable Compound. I was a great sufferer from kidney trouble and headache. On rising in the morning I was always tired and sleepy, and never felt like doing any work. Since taking the Compound I feel like a new woman. I sleep well at night, and can work all day without that tired feeling. I have advised some of my friends to try it, and we all feel thankful for the benefit we have derived from its use. May God bless you for the good you are doing the poor suffering women !"

Firs. F. H. Allen, 419 Nebraska Avenue, Toledo, Ohio, writes : " DEAR MRS. PINKHAM: Chang of life was working on me. My kidneys and bladder were affected. Terrible pains when urinating and an itching that nearly drove me wild. I had tried many remedies. told my husband I had great faith in yours and he got me a bottle; I am now on my fourth bottle. I feel that I am entirely cured. I can work all day. I can hardly realize that such a wonderful cure is possible. Lydia E. Pinkham's Vegetable Compound

is the best medicine for women."

.

"DEAR MRS. PINKHAM: I cannot express my gratitude to you for the good that Lydia E. Pinkham's Vegetable Compound has done for me. I have taken five bottles of the Compound and two boxes of Liver Pills and feel better in every respect. I had suffered for years with dropsy, caused by the pressure of the water. I had the worst kind of kidney trouble, fainting spells, and I could not stand long at a time. I also had female weakness and the doctor said there was a tumor in my left side. The pains I had to stand were something dreadful. A friend handed me a little book of yours, so I got your medicine and it has saved my life. I felt better now from the first bottle. The bloating and the tumors have all gone and I do not suffer any pain."-Miss N. J. Lockhart, Box 16, Elizabeth, Pa.
