It is contagious. Every man who bears the grand things is ready to swing his hat and cheer and pass along the splendid story to his nearest neighbor. When a man has been through a term of the battle with sickness and at last has gained a glorious victory his first impulse is to tell the good news to others. He wants every man and woman of his acquaintance to know about the splendid remedy that brought him back from sickness and despondency to sound and perfect health.

DECORATION DAY RUN.
Scranton Bicycle Club Has Arranged for a Big Trip.
Captain H. W. Ritz, of the Scranton Bicycle club, yesterday sent out the following notice concerning the annual Decoration day run:
Arrangements have been made for our annual Decoration day run, which will be held next Tuesday, May 29. For the past few years we have been over the Port Jervis-Stroudsburg route, which has become monotonous to some and tiresome to others. The ride of forty-two miles is one that could easily be taken by many of our riders later in the season, but we do not believe all our riders care to undertake it at present, and besides "we want a change," as some of our members say. We have planned a trip for this year which we believe will satisfy most of our members and one that can be taken by everyone at a small cost. We will leave here at 5:10 a. m. for New York, via the Delaware, Lackawanna and Western, arriving at 9:30. Breakfast will be had near the ferry, after which we will wheel across Brooklyn bridge, thence through Brooklyn and out the Coney Island Cycle path, a ride of about nine miles

than cannot be suppressed. Our dinner will await us here, after which the members can avail themselves of the numerous places of amusement. If the members should so desire, we will leave Coney Island early in the afternoon, coming back to Brooklyn over the cycle path and proceed by ferry to Thirty-fourth street, New York, thence through Central Park or up Riverside Drive, taking supper in the 5:30 p. m. train.
We have secured a special low rate to New York of \$4.82, making the entire cost of trip about \$7.
Kindly reply at once by enclosed postal if you intend to join us, as we can secure a special car for our use and one for wheels if we get a sufficient number.
If you have friends you would like to bring along, please make application to the captain.
I. W. Ritz, Captain.
