Given in Mears' Hall to a Crowded House—Address by Superintendent Howell—Young People's Society Meeting—Abandoned Mine Working Settle—Memorial Day Events. Rev. Mr. Hopkins Heard from. Several Accidents, Deaths, Funerals, Social Events and News Notes.

The pupils of No. 14 school gave a very successful entertainment in Mears' hall last evening to an assemblage that completely taxed the capacity of the hall. Harry Miller was chairman, and choruses were rendered by pupils of Grammar C and B, and a party of mixed voices. Recitations were given by Mabel Spencer and Bertha Williams, and piano selections were rendered by Mary Morgan, Stella Markwick, Loretta Fagen and Ivor Price, Gordon Evans declaimed, Charles Matthews gave the school history and Miss Jessie Puff read the school prophecy.

Miss Eva Kettle sang a vocal solo, and instrumental selections were given by Evan Hopkins and Stephen McDonough. The Misses Spencer, Wade, Morgan, Peckins, McCracken, Harris, Eannell, Morgan and Snow gave a drill called the "Revel of the Maids," under the direction of Miss Gibbs, and the address of the evening was made by Superintendent George Howell.

During the course of his remarks he had occasion to reprimand several young men who were bent on disturbing the exercises by boisterous conduct in the rear of the hall, and also complimented Professor Phillips and his pupils on the excellence of the programme rendered. He suggested the holding of commencement exercises by all the grammar grades of the city at the close of the school term.

Professor Howell also commended the pupils for the energy displayed in arranging an entertainment to purchase a piano for the school room, but incidentally remarked that a musical education must be secured by hard work as well as the other branches of study. The accompanists of the evening were Misses Gleason, Morse, Hopkins, Watkins, Markwick and Ivor Price.

ABANDONED WORKINGS SETTLE.

The abandoned workings of the Rock vein in the Central mine are settling and evidences of that fact are noticeable in the vicinity of Thirteenth and Division streets. Mrs. Pinkham's Advice Saved Mrs. Hayes From an Operation.

DEAR MRS. PINKHAM—Words cannot express my thanks to you for your kind advice to me in regard to my health. I had been running down in health for about seven years. I had doctored with good doctors and taken a great many patent medicines. My trouble began when my first child was born. I had a very hard time and after its birth would have severe flooding spells. "After my second child I had very good health until last winter when I again became pregnant and suffered very much and miscarried. I came very near dying, and the doctor said I must have an operation, which frightened me very much, and concluded to write to you for your advice, and take your medicine. Was troubled with the white, green pain in back and hips, sometimes when lying down or sitting was unable to get up. Would have such pain in groin could hardly walk. "I can say I have never seen anything so wonderful as Lydia E. Pinkham's Vegetable Compound and Sanative Wash. Your remedies have done wonders for me. Hoping that many of my suffering sisters may be led to take your medicine from reading this letter, I remain, sincerely yours, MRS. MARY HAYES, HARRISBURG, KY.

Letters like the foregoing should convince everyone that Mrs. Pinkham's advice is certain help.
