Mr. Joseph Jay, sr., who while alighting from the carriage at the Delaware and Hudson colliery a few days ago, was so severely injured internally, died on Saturday morning shortly after

10:30 o'clock. Deceased was born in Cornwall, England, sixty-three years ago, and for the past thirty years had been a resident of this country, twenty-eight years of which had been spent in this borough. For twenty years he had held the position of weighmaster at the Delaware and Hudson colliery, a position often very difficult to fill and to please both employers and miners, and the fact that he succeeded in doing this, and the universal expressions of regret at his death heard from the men, is a tribute of no mean worth. He was closely connected with the Methodist Episcopal church, of which he was class teacher and steward for many years, and the Christianity he professed at the church he practiced in everyday life, both at home and at work. It is therefore not surprising that the deceased was so highly esteemed. His death has created quite a shock and caused profound sorrow. He is survived by a widow and son, Joseph, and four daughters, Mrs. Annie Lander, Mrs. Samuel Brookes, Mrs. William Seymour, of this borough, and Mrs. George Belch, of Modesto, California. Three brothers also survive him, Rev. Stephen, of Ashley Thomas, of Butte City, Montana, and Richard, of California. The funeral will be held this afternoon at 1:30 at the house and at 2 o'clock at the Methodist Episcopal church.

TAYLOR NEWS.

The Reds Defeat Old Forge in a Ball Contest—Jr. O. U. A. M. Ball—Personal and Minor News.

The Reds' base ball club journeyed to Old Forge on Saturday afternoon and succeeded in administering defeat to the strong aggregation of that place. Shield handled the sphere for the home team and did fairly well, considering his condition. He pitched six innings, when Morris relieved him. The latter appeared to be rather wild, but succeeded in holding his opponents with one scratch hit. Gallagher pitched for the Old Forge and was touched up quite freely, but his support was of the ragged kind. The game was devoid of features, with the exception of the sensational catch by Right Fielder Stone. The score: Reds, 12; Old Forge, 9. Batteries—Reds, Shields; Morris and Glynn; Old Forge, Gallagher and Barry. Umpire—Eagan.

Beck summoned, who administered to him. His right side is completely paralyzed and his power of speech gone. As soon as he recovered sufficiently willing hands removed him to the home of Dr. J. W. Beck, with whom he resided. Mr. Brown has been a resident here for several years, while plying his profession at Scranton.
