About 400 people witnessed the Barone down Scranton yesterday, making it three straight.

The game was by no means as interesting as the first three. Wilkes-Barre won by her timely hits in the wixth inning, aided by costly errors upon the part of Scranton. Risley was in the box, but was not as strong as usual. Knoll's error was a surprise. Jimeson pitched for the Barons and twirled good ball.

Newark was badly walloped by Lancaster by a score of 7 to 1. The cham-pions downed the tail-enders, making it three straight. In a ten inning game Reading defeated Alientown by a score of 9 to 8. Brooklyn continues to win and is rapidly increasing her percent-

St. Louis falls to third position, while Boston goes to second, owing to her victory over Cleveland. Washington was again defeated by Pittsburg. Many games were featureless and without ginger.

DIAMOND PICK UPS.

Allen will undoubtedly occupy the boxtomorrow.
Scranton's costly errors were costly

indeed. Three straight!

The Indian put his war paint on in great shape. No wonder we were beaten.

Herndon was pounded hard, while Minor was a hard nut to crack in the Newark-Lancaster game.
The Scranton team arrived in the city from Wilkes-Barre at 7.60 p. m. yesterday in good condition and felling well. While Burns is a little slow in filling Atherton's place at second, he plays remarkably good ball for a new comer. He is very promising indeed.

The Scranton boys report that Jimeson, Wilkes-Barre's Indian pitcher, put up a splendid game in Wilkes-Barre yester-day, holding them down to a few hits. With almost any other center fielder in place of Knoll in the Scranton game Wilkes-Barre would have doubled the number of runs she scored.-Wilkes-Barre

Scranton's second basemen seem fated to get after Wilkes-Barre players. Dasher Troy commenced it on Johnny McKee in 1886, Sam Crane in 1887 hit little Riley, Piggy Ward got after Lytle in 1895, and O'Connell was after Odwell yesterday. Neighbor cities and neighbor clubs, and they should dwell together in harmony .--Wilkes-Barre Record.

Atherion, who was sold to Washing-ton by Wilkes-Barre, played his first game with that club at Pittsburg on Memorial Day. He played third base and played it well, for his first big league game. In the morning game he made three-base hit. He stole boses, and had a total in both morning and afternoon games of three runs, one hit , two put-outs, four assists and two errors.

Bicycle Riders of Various Colleges to Meet at Berkely Oval June 3. Special to the Scranton Tribune.

New York, May 31.-The Intercolle giate bicycle races, which are to be held at Berkley oval on June 3, will undoubtedly be the most successful meet ever held. Secretary Halford, of the New York university, has put great efforts into this meet and its success will be largely due to him.

Secretary Halford will select the field and make all necessary arrangements to make the meet the most successful ever witnessed. There will be five championship events.

Yale, Princeton, Cornell, University of Pennsylvania and Columbia have Georgetown, entered ten men each. Swarthmore and New York University are also entered. Berkley oval is the finest track in the world and there is no reason why this meet should not be successful.

EXCITEMENT AT PRINCETON.

Jarvis Equals Tewksbury's Record of 9 4-5 Seconds.

Princeton, N. J., May 31.-Princeton is wild over Jarris' record at Elmira on Monday. The Cornell and Princeton relay teams met there for their Memorial day meet. Princeton won the meet in the presence of 4,000 spectators by 72 points, against Cornell's 45. Jarris' equalled Tewksbury's record of 9 4-5 seconds for the hundred yards. Jarris has been considered Tewksbury's dangerous opponent for some time, but at Elmira he clearly demonstrated that

fact. This new record has not frightened the Quaker flyer. Jarris, while he has equalled Tewksbury's record, will have trouble to make the same showing again, and perhaps will not be able to do better than 10 seconds.

Memorial day was appropriately observed in this place. The exercises began with a flag raising in West Wyoming at 9.30 o'clock in the morning. The parade formed at 10 o'clock at the corner of Shoemaker avenue and Eighth street and up Wyoming avenue to the cemetery. Jacob 1. Shoemaker had charge of the exercises at the cemetery, which were begun with singing by the Methodist church choir. Rev. Wilson Triebel offered prayer and after the usual reading of the ritual for Memorial day and an address was made by Rev. R. Thompson. Miss Nellie Wilner delighted the large audience assembled with the rendition of a recitation giving a review of war life. A firing squad from Company I, Seventh regiment, gave the salute for the dead and after the benediction by Rev. Trieble the exercises closed with the decorating of soldiers' graves. John Himlock and family are sojourning at Lake Winola.

oughs will meet next week for organization. The Baptist Sunday school has ar ranged to run an excursion from this place to Lake Ariel on Monday, July 24. Mrs. John Breece, of Buffalo, is the guest of her parents, Mr. and Mrs. Jacob I. Shoemaker, of West Wyoming.

THE MARKETS.

Wall Street Review.

New York, May 31.—There was a re-crudescence of bear sentiment on the Stock exchange today in more formidable array than at any time hitherto since the spring reactionary period has been in force. This sentiment met a decisive check after Mr. Flower's death when the most powerful financial interests in the country combined to support prices check after Mr. Flower's death when the most powerful financial interests in the country combined to support prices and avert a panic. It had but newly inaugurated a campaign last week when the decision to close the exchange for three days left the leaders in a rather timid frame of mind about carrying short contracts over for so long a period. Today's slump in prices seemed to be distinctly a department of the day's operations. There was a small attendance at the opening of the stock market and a seeming expectation of a dull day based partly on the fact of the running orders from England. Some of the stocks which suffered most severely in the later break showed signs of firmness and even of strength in the opening transactions. This was notably true of Sugar, Brooklyn Transit, Manhattan and New York Central. But signs of strength proved to be of short duration and by noon the bears were in complete possession of the field. Early declines were obviously due to manipulations but as the bears gained courage and assurance and extended their raid they got richer and richer returns and before the day was over the general process of liquidation of long accounts had set in. Aside from the spasm recovery of Sugar in the first hour there was no material support accorded prices at any point in the list. Total sales, 658,409 shares, Bonds yielded in sympathy with stocks, but were relatively firmer. Total sales, par yielded in sympathy with stocks, but were relatively firmer. Total sales, par value, \$1.05,000. United States 3s, the new 4s and the old 4s registered ad-vanced 1s in the bid price while the old 4s coupons declined 14. The 3s coupon sold at 10915, which is a record price.
