PROPOSE TO ISSUE BONDS.

Plan of the Consolidated Water Supply Company.

The Consolidated Water Supply company, Joseph J. Jermyn, president: George B. Jermyn, secretary, decided at a meeting held March 21 last to issue bonds to the amount of \$1,000,000. The trustee will be the County Savings Bank and Trust company, of this city. The bonds will be of the denomination of \$1,000, bearing 5 per cent, interest, maturing May 1, 1829, and payable in gold coln of the present standard.

Belief in Allentown That He Will Be Acquitted.

John Strunk, constable from Allentown, was in the city yesterday serving subpoenas for a hearing in the case of the commonwealth against Preston Everett, who shot and killed John Howard, of this city, at Allen-

town Saturday night. Everett was admitted to bail in the sum of \$3,000 on Tuesday. The sentiment in favor of Everett is very strong n Allentown and is is expected that he will be acquitted. While there is no doubt that he fired the fatal shot, it is believed that he was laboring under a misapprehension when he did so, He feared that he was going to be attacked, although there was nothing

to warrant that fear on his part. FOR A WEST SIDE PARK.

Board of Trade Committee Will Confer with Commissioners.

The park committee of the West Side board of trade will have a conference with the park commissioners this afternoon relative to the establishment of a public park on the West Side. The committee's main object is to secure the aid of the park commissioners in obtaining the Round Woods from the Delaware, Lackawanna and Western company. Under the Sloan regime this was impossible, but it is understood that President Truesdale is disposed to put the Delaware, Lackawanna and Western lands hereabouts on the market and it is thought that he will agree to the sale of the Round Woods plot on very liberal terms, considering that it is to be used for park

purposes. The committee, it is understood, will promise its support to the \$30,000 ap-propriation for Nay Aug park if the commissioners will commit themselves to the Round Woods scheme.
