The game started at 4 p. m. with Doherty at bat. He got his base on balls, but was thrown out at second by Gunson. The next three men up died to the tune of one, two, three. In the second Lippert fouled out; Risley and McMahon struck out.

Newark was never dangerous, except in the fifth, when Cogan nearly reached third with no one out. Cogan was out at second by good rights, but Berger didn't think so. Gunson came up and lined one to McMahon, who threw Cogan out at third.

Cogan was the first and only man to get his base on balls off Hodson, From there on until the eighth they never saw first. In this inning Kloff made a single, but died on it; he never reached second. In the ninth another single was made by Weddige; he also died on the first bag. It was hard work for them to even get a look at the bag.

Scranton's first run was made in the third. Hodson surprised everybody. He made a two-base hit, and later come in on Knoll's two-bagger. Knoll was thrown out at third by Brown, making three gone.

In the fourth we never saw first. In the fifth Brown lost his nerve and Scranton lined out some good ones. 1: was very gingery indeed. Risley came to hat but flew out to Weddige.

McMahon got his base on balls and went to second on Flanngan's single and later scored on a single made by Hodson. Flanagan worked around the bases and scored on Knoll's hit. Hodson did the same, and scored on Dillon's single, and Doherty came in on Eagan's fly to right field. In the sixth we scored two more, making our total seven runs to Newark's shut out. It was a great game, mixed with lots of kicking and excitement. The score: SCRANTON.

Wall Street Review. By Associated Press.

Wall Street Review. By Associated Press. The bears made some further progress in forcing prices to a lower level today but they were by no means in so ag-gressive and confident a mood as yes-terday. There was very heavy covering of short contracts during the course of the day and last prices were materially above the lowest even in those stocks which show the heaviest net losses. The bears met determined resistance in some of the stocks which have hitherto proved most vulnerable to their attack. The lat-ter part of the day showed a distinctly improved tone and an upward tendency of prices with no disposition apparent from the bear fuction to make further ventures for the present. After the opening dip in prices there was the usual professional covering designed to meet the orders of outside operators. They brought out heavy Huudation in the To-bacco stocks, Western Union, Metropol-tian Street Railway, Manhaitan and Brooklyn Transit and extended their op-erations in spite of the weakness in the wheat market to the Grangers. Total sales, 64,500 shares. There was an easy tone in the bond market in sympathy with the stock, but losses were not so conspicuous as in stocks. Total sales, par value, \$1,810,000. United States new 4s advanced 3s and the oid 4s registered 34 in the bid price.
