FARMER PETERSON'S ENCOUN-TER WITH A BEAR.

The Death Record-Celebration of Memorial Day-The Bite of Confirmation at St. John's Church-A Few Side Lights-Current Topics Discussed - Personal and Other News from Old Susquehanna County.

Special to the Scranton Tribune.

Susquehanna, June 2 .- Mr. Peterson, a Callicoon farmer, discovered that a bear was prowiing around the pig pen, and from the tracks he judged it to be a small bear, perhaps a yearling. One evening, in returning from the village, he saw the marauder plainly outlined in the moonlight. Stepping back in the shadow, he cut a blue beech "ox gad," the length of an ordinary fishole, and, with this weapon, he started for the bear. The hear started for Peterson and received a cut on the nose that brought tears to his eyes. Another clip brought its nose down between its forelegs, and every time it raised its head down came the gad on the same spot. In vain the bear tried to run away. Peterson was as active as a cat, and handled the whip like a ringmaster. At last the bear started for the smokehouse, only too glad to get out of range of the castigation, and there it was safely barred in until morning, when it was shot

#### SOME SIDE LIGHTS

The choice of Memorial day as a day for sports is certainly unfortunate, to say the least. It is a day for memory born. and for tours. All consecrated days are being turned too much into light amuzements-and more's the pity. Dr. Briggs vias ordained, and the

world did not tip up. A number of Susquehanna county candidates for desirable offices are "in the hands of their friends." It is rough on some of the hands aforesaid.

Almost the entire income tax in this county will be paid this year by the newspaper men.

THE NEWS RECORD. On Sunday, Right Rev. Bishop Mich ael J. Hoban, D. D., paid his first official visitation to St. John's Catholic church. The church was crowded, and hundreds were unable to gain admission. The bishop preached a powerful termon. The upward movement today was err-tainly engineered against the shorts and May proceeded somewhat further. The best informed bankers claim that the shipment by the City bank was made at a distinct loss and that it covers a special transaction only. While there has been free covering to-day, the market is to a certain extent oversoid and may work somewhat high-er. The close was strong, about the best prices of the day.
