NEW SOUTH SCRANTON PARISH.

The First Step Taken Last Night Toward Its Organization.

At College hall, on Wyoming avenue, last night a meeting was held of the men residing in South Scranton who are members of St. Peter's cathedral parish. Rt. Rev. Bishop Hoban decided several months ago that another parish was necessary at South Scranton, and several of the preliminary steps toward that end being covered the meeting of last night was announced at the several masses celebrated at the cathedral yesterday. It is estimated that in the parish to be formed there are over four hundred families, and at last night's meeting that number was far exceeded in attendance.

Rev. J. A. O'Reilly, rector of the cathedral, opened the meeting, and made extended remarks. The great need of a church to accommodate the Catholics of the Twelfth ward and the Eleventh wards was evident to all, Father O'Reilly stated. The speaker informed the meeting that a plot of ground on Stone avenue, reaching from Orchard to Hemlock streets, had been purchased from the Lackawanna Iron and Steel company, and that the matter of ground need not worry the parishioners.

Father O'Reilly showed a pencil sketching of plans he suggested for a permanent convent, and a building to be used for church and school purposes until such time as the congregation will be able to erect a building for church purposes only. He estimated that the cost of the two buildings would not exceed \$20,000.

At the close of Father O'Reilly's address, Philip McHugh, the chosen chairman of the meeting, and Common Councilman John J. Monaghan, of the Twelfth ward, was selected as secretary. On motion of Attorney C. C. Donovan, it was decided that the suggestions of Father O'Reilly be accepted and that the buildings erected be built for permanent use.

Several present gave their views as to the best method of raising the money needed to launch the movement. It was decided to appoint a ways and means committee, two members from each district of the parish to confer with Father O'Reilly on the matter. The committee is composed of Attorney C. C. Donovan, John Hurley, John P. Gilsburg, Michael Murphy, John Mawn, James McGinnis, Con McHugh, Patrick Brogan, Edward Coleman and William J. Foley. The committee will meet at the call of Father O'Reilly. The parishioners will also meet at a time arranged by Bishop Hoban and Father O'Reilly.

CONCERT IN WEST SCRANTON.

Conservatory of Music Pupils Will Give a Recital Tomorrow Evening.

The concert to be given at the First Welsh Baptist church, West Scranton, tomorrow evening for the benefit of the First Welsh Baptist church, pianoforte, voice culture and elocution departments of the Scranton Conservatory of Music, under the direction of Prof. J. SCANTONIANS WHO TOOK PART IN THE PLAY.

A number of golfers went to Wilkes-Barre Saturday to play against the Wyoming Valley Country club in the second preliminary contest. As was expected, the Wilkes-Barreans won by a score of 27 to 6. Wilkes-Barre 21 holes up. Among those besides the contestants who witnessed the game were the following: Mr. and Mrs. Shepard Ayres, Miss Bell, Miss Anderson, Messrs. C. H. Welles, H. J. Anderson, Law Watkins and Kenneth Welles.

Tea was served at the Wyoming Valley Country club and at the conclusion of the game the players were entertained at dinner at the Westmoreland club. The individual scores were as follows:

T. R. Brooks, Sr. 48 43 31
Johnson, W. B. 51 40 37
Watkins, E. C. 51 47 35
Loveland, W. B. 41 47 38 3 up
LaMott, Sr. 56 35 111
Woodrat, W. B. 55 49 35 8 up
Blair, Sr. 51 31 102 1 up
Farnham, W. B. 51 48 30
J. H. Brooks, Sr. 54 105 3 up
Woodrat, W. B. 59 59 62
Kingsbury, Sr. 48 56 184
Jones, W. B. 51 54 103 1 up
G. Hunt, Sr. 57 37 114
Chase, W. B. 54 319 5 up
Torrey, Sr. 59 61 120
Price, W. B. 55 53 119 5 up

FELL SIX HUNDRED FEET.

Terrible Death of Vincent Menklyn at Pricburg.

Vincent Menklyn, 27 years old, employed at the Johnson Coal company's shaft in Pricburg was instantly killed at that place on Saturday. He was working in the top vein and signalled for the carriage to take him to the surface. The carriage did not stop at the vein and it is supposed he jumped for it. He fell 600 feet down the shaft, his body striking the sides as he descended.

The body was found at the foot of the shaft terribly bruised and with nearly all the bones broken. It was removed from the home of the deceased in Pricburg.

CAN RETAIN PART OF PRESENT LAWS

TO HELP MAKE UP DEFICIENCIES IN SECOND-CLASS CODE.

Attorney A. A. Vosburg Throws Some Additional Light on the Much Discussed Question of the Practicality of Scranton Becoming a Second Class City in Case the Decennial Census Shows It Having a Population of 100,000—No Choice in the Matter Mr. Vosburg Holds.

Attorney A. A. Vosburg, city-solicitor-elect, agrees with Mr. Burns that Scranton will or will not become a second class city upon attaining a population of 100,000 and points out statutes and decisions bearing directly on the point in question. He also holds that the city may simply supply the deficiencies in the second class code from the laws we are at present working under.

There does not seem to be much question about the law governing the case, Mr. Vosburg says. A change of this character was predicted by the supreme court in an opinion by Mr. Justice Williams, in the following words: "There are two cities of the second class at this time. At the end of the present decade, the city of Scranton and probably one or two more, may be brought by their growth into it."

As has already been pointed out, the act of assembly governing this matter is that of May 8, 1883, which provides how it shall be ascertained when a city is entitled to an advance in classification. When it appears by the census taken that the population of the city entitles it to advance in classification, it is the duty of the governor to certify the same accordingly, which certificate is entered upon the minutes of the council of such city and recorded in the office for recording of deeds in the proper county.

THOMAS BROKE A RECORD

Arrested, Tried and Punished for Two Offenses in One Day. How It All Happened.

"Jack" Thomas, well known throughout the central city enjoyed the distinction yesterday of being arrested, tried and punished for two separate and distinct offenses all within a period of six hours.

Friday night William Smallbridge, Fred Steinhauser, Ed Horn and Jack Thomas engaged in a fight on the corner of Washington and Lackawanna avenues. Smallbridge and Steinhauser, the principal belligerents, were taken into custody, but the other two, on account of their being so well known and of the secondary part they played in the melee, were notified simply to appear at police court in the morning.

They did not show up and Mayor Moir issued a warrant for them directing Patrolman Lona Day to serve it. Horn was brought in and made a deposit as security for his appearance and yesterday's hearing. Thomas could not be found and the police were much chagrined that he had given them the slip.

But it was not to be that he should evade the law.

Yesterday morning at 3 o'clock Cora Birmingham, the forelady at Charles Thiel's 210 Center street resort, made a murderous assault on one of her assistants, Lillian Davenport, Patrolman Day, Karlus, Neuls and detective Sullivan swooped down on the place and arrested everybody in the house, three women and two men.

To the intense satisfaction of Patrolman Day and the officers in general one of the two men proved to be "Jack" Thomas. He was marched to headquarters at the fore front of the procession and arrangements were perfected with the aid of a padlock which insured his appearance in the morning.

He paid \$5 for his participation in the early morning affair and then was arrested and tried forthwith on the "drunk and fighting" charge of Friday night. Another \$5 was demanded and paid for this offense.

Miss Birmingham was fined \$25, Miss Davenport, \$5, and the third woman, Miss Anna Brown, also \$5. The second man, George Archibald, was likewise called upon for a fiver. All paid, excepting Miss Davenport, the one who was assaulted. Manager Thiel, who furnished the wherewith for the others, would not grant her request to advance money, and she was compelled to remain in durance vile.

Miss Sampson, her daughter, Cassie, and William Smith, an colored, of 215 Raymond court, were arrested Saturday night for disorderly conduct by Patrolmen Peuster and Karlus and Mounted Officer Block. They paid \$5 fines in the morning.

MINISTERIAL ASSOCIATION.

Sessions Will Be Held at Luzerne Tuesday and Wednesday.

The one hundred and fifty-third session of the Wyoming District Ministerial association will be held in the Methodist Episcopal church in Luzerne, Pa., on Tuesday and Wednesday. The following programme will be carried out:

TUESDAY.

Alternate.....C. E. Mogg

DRAGGED BY A TRAIN.

Andrew Heffron Narrowly Escapes Death on the Railroad.

Andrew Heffron, aged 14 years, son of John Heffron, of Twenty-second street, had a marvellous escape from death at 7:30 o'clock Saturday evening on the Keyser Valley branch of the Delaware, Lackawanna and Western railroad.

A trip of loaded cars was being taken from the Hampton mine to North, where the trains are made up, and young Heffron jumped on one of the cars, to ride toward his home. He missed his grip and his clothing caught in some manner in the car, and he was dragged over the ties for a distance of 100 yards before he was discovered.

His face, arm and body was badly bruised and when released by some men Heffron was unconscious. He was removed to his home on a stretcher and medical aid summoned. His injuries are not fatal, and he recovered consciousness yesterday.

AN ENTHUSIASTIC MEETING.

Merchants' Club Advances Rapidly Toward Organization.

Several steps toward organization were taken yesterday afternoon by those persons who are promoting the proposed organization of a Merchants' club. The meeting was held in the mayor's reception office in the city hall and was well attended. Francis Schroeder presided and G. T. Yost acted as secretary.

Chairman C. W. Dawson reported in behalf of the constitution and by-laws committee. Only part of the report was adopted, changes being suggested in several sections. The committee on quarters, of which William Morris is chairman, reported progress. This committee was directed to collect \$5 each from the charter members as an emergency fund.

General discussion of the prospects and purposes of the club then ensued. The meeting was adjourned to meet again at the call of the by-law committee.

NEW HEAD OF THE COAL DEPARTMENT

W. R. STORRS HAS RESIGNED FROM THE D., L. & W.

William R. Storrs, head of the Delaware, Lackawanna and Western company's coal and real estate department, has resigned, and is to be succeeded by E. E. Loomis, of Jersey City, superintendent of the New York Susquehanna and Western road.

Mr. Storrs' resignation was submitted to President Truesdale three weeks ago and was accepted. Mr. Storrs stated yesterday that he has not as yet been notified when he will be relieved, but is expected that the change will take place during the present week.

The new head of the coal and land department received his training in the coal company business on the Erie. Two years ago he was promoted to the office of the general superintendent of the Erie road. He was promoted to the position of superintendent and during his service with that company had charge at one time or another of five different divisions. Last March he resigned the position of superintendent of the Toga division and the Blossburg mines to succeed Mr. McKelvey as superintendent of the New York, Susquehanna and Western company's lines between Jersey City and Wilkes-Barre.

NEARLY HALF A CENTURY.

Mr. Storrs has been connected with the Delaware, Lackawanna and Western company almost from its inception. In 1861, after having served six years with the company in minor positions, he was placed in charge of the sales department at Buffalo. His successful administration of this office received for him in 1866 promotion to the position of general agent of the company's coal and real estate, with headquarters at Scranton. This position he has filled ever since.

Under his management the coal business of the company has experienced an enormous increase. When he first assumed charge 30,000 tons was considered a big shipment for one season to Buffalo. Now, there would be no surprise occasioned by a shipment of that size in one day. The total amount of coal in 1895 was 1,200,000 tons. It has grown to 7,500,000 tons.

In the course of a few days official announcement will be made of the appointment of Albert S. Baker, of 513 Clay avenue, as chief accountant of the coal department. Mr. Baker until recently held a similar position with the Pennsylvania Coal company, and previous to that had been accountant in the office of Simpson & Watkins for four years.

PARTIAL TO SCRANTON.

This is an entirely new department and is totally divorced from the operating department, its officials being under the direction of O. C. Post, the company's chief auditor or comptroller. Its scope is not as yet clearly defined, but in a general way it can be stated that it is to keep an accounting of all the company's coal and real estate.

Most of this work is now done in New York by the general accountants, the coal, real estate and operating accounts being cared for in the one department.

All that refers to the coal and land department is now to be transferred to the new department, over which Mr. Baker will preside. This means that all of the company's coal and land business, with the exception of the sales at the extreme terminals, will be looked after direct from the Scranton office.

TROLLEY LINE EXTENSION.

Is to Be Made by the Scranton Railway Company.

The Scranton Railway company will commence work this morning on the new extension of its lines to the Country club house and work will be hurried as fast as possible.

From the present terminus of Wyoming avenue to Sunset avenue will be
