

EVENTS OF DAY IN WEST SCRANTON

SERMON BY REV. HAGUE AT WELSH BAPTIST CHURCH.

"The Kingdom of God Cometh Not with Observation," His Theme. Election of Officers by Branch 15, A. O. H.—Meeting of the Saturday Night Club—New Officers of the Knights of Honor—Several Funerals and Accidents—Other Matters of Interest.

Rev. George Hague, of Olyphant, occupied the pulpit of the First Welsh Baptist church at both services yesterday, and preached to large congregations. In the morning the sermon was in the Welsh tongue, and in the evening the monthly English service was held. Rev. Hague took his text from Luke, 17:20, "The Kingdom of God cometh not with observation," and preached a powerful sermon on the theme.

He spoke, in part, as follows: "The word 'Kingdom of God' as used in the text, means the Messiah's kingdom or the gospel ministry. God had promised his people, under the old dispensation, the establishment of a kingdom which should be endless in its glory and power. The people who received this promise believed in the Almighty power of Jehovah, and that he was a just God. Therefore the promise of this kingdom was to them a fact which they hoped to be established in time by the birth of a king from the lineage of David, who would reign and rule over them forever.

"This error was not in expecting a king, but rather in the nature and character of the kingdom. They labored under the delusion that this kingdom would possess great pomp and material favors, of which they would, as a nation, have the highest privileges. Such a delusive hope made them carnal-minded, and blinded them to the spiritual character of the Messiah's kingdom.

"It had not the outward pomp that they desired and hoped for, and Christ taught them that for them to expect the kingdom of God to come in such a temporal character was all in vain. And so it is today, while political enthusiasts make much ado about memorial monuments for earthly heroes, and have the memorial day of Christ in slight and staid, the wisest rulers of the world acknowledge the gospel to be the only power to bring the world to order.

"And so it is coming in the future. The Messiah's kingdom, though humble in manner, will be the governing power of all countries under the heavens. Sinner, do not look for this kingdom in material things and worldly show. This is a spiritual kingdom, and can be richly felt and enjoyed by all."

THE LEADER. Scranton Store, 124-126 Wyoming Avenue. On Monday, June 5th, at 8 a. m., we shall open An extraordinary June sale comprising more than 18,000 pieces of high class muslin, cambric and nainsook underwear. In addition to this we shall also open an industrial exhibit showing how this grand underwear is made.

By special arrangement with the manufacturers, Messrs. D. E. Sicher & Co., we have been permitted to engage a large number of the employees from their Scranton factory, for a limited time only, to show the public the manner and method by which this greatest of all muslin underwear is produced. The entire section heretofore used as a book department in the center of the store has been given over to the manufacture of muslin underwear—all the modern machinery being used as in the factories of that well-known firm. This is an event you cannot afford to miss. It will demonstrate the absolute cleanliness that is insisted upon by that firm in all their immensely large but absolutely wholesome workshops in the states of New York, New Jersey and Pennsylvania.

Come and hear the hum of the machines. The exhibit will interest you in the extreme. "Standard" lock-stitch power machines are used, and every detail of the manufacturing will be shown you down to the making of the button-holes. Incidentally you will realize the importance of this sale by the magnitude of the stock that will be shown. Gowns and long skirts will be located in the customary place, but all other muslin underwear will occupy a special section in the rear of the store near the manufacturing booth.

18,000 pieces is an immense purchase. But the prices were such that we saw an opportunity of making this the greatest underwear sale that ever took place anywhere in this state outside of Philadelphia. Prices undergarment that every quotation here has a double advantage that no one can dispute. This sale opens at eight o'clock. Industrial exhibit opens at the same time. Choose the morning hours and avoid the rush. Ten salespeople have been engaged for this department, and every effort will be made to handle money and merchandise with the utmost dispatch.

Table with 4 columns: Corset Covers, Muslin drawers, Muslin gowns, Long skirts. Each column lists items and prices. Example: Corset Covers: Of fine cambric, neatly made, with high neck, perfect in fit, felled seams, no trimming; value 10c. Sale price 4 cents.

Reputable Underwear for Ladies At Genuine Price Sacrifices.

This is neither a cheap sale, a clearance sale nor an effort to get rid of an undesirable stock. It is merely an opportunity to buy the highest class of Muslin Underwear procurable at bona-fide reductions from regular figures, and our sole aim in making these price concessions is to strengthen our hold on the better class Muslin Underwear trade of this city by proving to our patrons that a better class of muslin garments can be had here than is procurable anywhere else in Scranton.

The Garments Offered Are Matchless. In style and exquisite workmanship. As for quality, your good judgment will recognize it at a glance. All we have to say is, if a better class of Ladies' Muslin Underwear than we offer at this sale is obtainable, we want to know where, when and how. Meanwhile we are confident that the line to be shown for the first time tomorrow approaches as closely to perfection as anything we have ever seen.
