What do the Children Drink?

Don't give them tea or coffee. Have you tried the new food drink

called GRAIN-O? It is delicious and nourishing and takes the place of collee. The more Grain-O you give the children the more health you distri-

bute through their systems. Grain O is made of pure grains, and when properly prepared tastes like the choice grades of coffee but costs about $\frac{1}{2}$ as much. All grocers sell
