TUNKHANNOCK.

The death of Frank W. Dewitt of this place occurred on Monday evening at his home a few miles out of Tunkhannock. He had been in poor health for some time and was spending the summer on the farm in the hope of being benefitted by the change. He was about 50 years of age, being born in Falls township, this county, in 1848. His father, Decker B. Dewitt, moved from Falls township to Tunkhannock and became connected with the Wyoming National bank here at the time when C. P. Miller was president and Samuel Stark cashier. At the death of Mr. Stark, Decker D. DeWitt became cashier of the bank. Frank entered the bank as bookkeeper. the death of his father he was elected to fill the vacancy and held the position from 1880 to 1894, when he resigned, his place being taken by John B. Fassett. He made a good official and the books were well cared for in his hands. After he retired from the bank he dabbled a little in politics, taking the Demo-B. W. Lewis and daughter left on the noon train Wednesday for New York city, where Miss Lewis will take the steamer for Europe. She goes with

a crowd of school friends and expects to spend most of the summer abroad. The regular meeting of the borough council was down for Tuesday even-ing, but falling to get a quorum present, the meeting adjourned to Wednesday evening. There is some important business in connection with the proposed new sewer to come up before the council at its next meeting. F. J. Sampson is registered as a law student with Willis S. Miller, esq. Triton Hose company is drilling twice a week now in preparation for the celebration in connection with the convention of the Five County Volunteer Firemen's convention, to be held here on Aug. 31 and Sept. 1 next.

cratic nomination for county treasurer in 1895 against William I. Avery, at a time when the county was hopelessly Republican, and was defeated in a close contest. He was a Mason and Knight Templar and the funeral arrangements are in charge of the latter organization. He leaves a wife and three children. The funeral will be held on Friday afternoon at 2.30 from his town residence, with interment in Sunnyside cemetery,

THE MARKETS.

Wall Street Review.

By Associated Press.

New York, Jun 1i.—Professional board room traders whose efforts to keep in the current of events for a short turn in prices was kept in a very unsettled frame of mind today by the frequent ebb and flow of prices, and they were left in a state of confusion at the close under the puzzling conflict of currents in the stock market. The covering by the shorts and large buying of some of the high priced specialties carried prices generally after the opening above last night's level. But weak spots began to develop, notably in Sugar, Metropolitun and the smelt ng stocks, the latter on the prospects of labor troubles, and a general selling movement set in. Only a few stocks showed net gains, fractional net losses being the rule. Total sales, 48,850 shares. There was a reactionary tendency manifest at some points in the bond market and the volume of business done was only moderate. Total sales \$2,145,000. Government bonds were unchanged. By Associated Press.

New ork, June 14.—The market opened very irregularly, some stocks showing strength while some were off. Sugar was the feature all day at times being depressed by fear of adverse testimony in the invistigating committee at Washington, and again advancing on news of favorable evidence of Mr. Havemeyer. Sugar stock varied 6 points quite like an old time Sugar market. The Steel issues were firm and had but little movement. Coalers were strong with slight advance. Rumored that block of Steel and Wire stock lately changed hands with good effect upon the market position. Directors of Manhattan say statement showed increased earnings and decreased expenses. Realizing in St. Paul attributed to Standard Oil interest. Sugar continued to lead the advance in the stock market. The market closed strong at an advance from opening, on most stocks. The feeling in Chicago on wheat is very strong. We believe September wheat is a purchase for a good many points. By Carrington & Cusack.
