judge. Nearly six hours were consumed in the preliminary work of the conven-tion and between 6 o'clock and midnight, with an hour's intermission for supper, the delegates cast eleven fruitless ballots for a score or more of candidates for that high office, the deadlock at midnight being apparently as firm as it was at 6

When adjournment was had there were eleven candidates in the field with votes ranging from 13 to 72, the highest being a long way off from the Ils necessary to elect. The determined battle arises from elect. The determined battle arises from the fact that the nominee is sure to be elected to serve twenty years. At this writing the fight appears to have narrowed down to Judge Kennedy, of Allegheny, and Judge Yerkes, of Bucks. Each is on the bench in his respective county. It is believed that one of these gentlemen will be nominated in short order to-morrow, although the western friends of Judge Krebs, of Clearfield, refuse to concede the defeat of their candidate. Ex-Congressman Wolverton, who was considered a strong candiate, lost stendily in the last few ballots, as did also Judges Bechtel. Allen and Albright.

Bechtel, Allen and Albrigat.
With the supreme court judgeship out of the way the remainder of the convention's work will probably be disposed of by acclamation. Although the heat of the convention hall was intense, the delegates stuck to their work heroically and the best of order and good feeling prabest of order and good feeling pre-

Harrisburg, June 14.—When the conven-tion assembled at 3.15 John C. Payne, of Washington, presented the report of the credentials committee. He stated that the committee by a vote of 32 to 2 decided the Allegheny contest in favor of the seated delegates. In the matter of Wayne and other counties claiming to have more delegates than they are en-titled, their claims were rejected but it

I took two sottles, and on the first of January following I gave birth to a nine-and-shalf pound boy, and was only in labor half an hour. There was no one with me at the time of confinement but my husband. I would advise expectant mothers to take Dr. Pierce's Favorite Prescription for it will shorten labor, and give greater relief to an the doctors can. I would not say anything about the medicine if I had not used it for myself. There is no need of suffering if Dr. Pierce's Favorite Prescription is used during pregnancy. May God bless you for a medicine that will preserve life. I am getting so I can do some of my own work without getting tired."

#### THE SURGEON'S KNIFE

ONCE BELIEVED TO BE THE ONLY CURE FOR PILES AND REC-TAL DISEASES.

A Better Way Now Discovered Which Cures Every Form of Piles Without Pain or In-

convenience.

Many people suffer the pain, annoyance and other serious results from piles for years, and after trying the many lotions, salves, cintments and the many so-called cures without cure or relief give up the hope of final cure, rather than to submit to the intense pain and danger which a surgical operation involves.

Happily, all this suffering is no longer necessary since the discovery of the Pyramid Pile Cure; a remedy which is approved by medical profession as being absolutely safe, free from all traces of opiates, narcotic or mineral poisons and which may be depended upon as a sure cure (not only relief) for any form of piles, whether itching, blind, bleeding or protruding. Some of the hundreds of cures recently made are a little short of marvelous, as a perusal of the following will demon-

strate. Major Dean, of Columbus, Ohio, says: I wish to add to the number of certificates as to the benefit derived from the Pyramid Pile Cure. I suffered from piles for forty years and from itching piles for twenty years and the two boxes of the Pyramid Pile Cure has effectually cured me-

The organization presented a report recommending the following officers who were unanimously elected: Permanent chairman, Charles J. Riley, of Lycoming: reading secretaries, J. Wood Clark, of In-diana, and Frank Fletcher, of Bedford; recording secretaries, H. M. North, Jr., Lancaster, and Charles S. Eckert,

Mr. Riley was escorted to the chair by Messrs. Black, of York; Ponts, of Lan-caster, and Brennen, of Allegheny.

Mr. Riley said the Democrats of the state are awaiting a dignified proclama-tion of the will of your majority, and the redemption of Pennsylvania from a character of rule which is opposed to the genius of our institutions and subserve of the basic and fundamental principles of our civic existence.

The report of the resolutions commit tee was read by Charles Donnelly, of Philadelphia. The report follows:

The Platform. First-The Democracy of Pennsylvania ur pledges of fidelity and devotion to the sacred rights of the people; true to the faith and principles of our party as de-clared in the platforms of our several sational conventions, and proud of our matchless leader, William Jennings Bry an, realize that the issues involved i the coming campaign in Pennsylvania ar honest government; clean politics and the redemption of our state from Re

publican misrule and corruption.

Second-We denounce the wholly unnecessary increase of public officials and petty clerkships in the several depart ments of the state government; and th n justifiable and unwarranted increase of salaries. The payment of political obil-gations in this manner out of the state treasury has already created a deficit of over \$3,500,000, crippled the public chari-ties, robbed the public schools, and enor-

lividual taxpayers.
Third-We believe that the most careful provision should be made for the care of the unfortunate insane of our state, and contend that the cause of the poor and the afflicted is of far greater impor-tance to the welfare of the common-wealth than is the creation of new offlers and the increase of official salaries.

mously increased the burdens of the in-

Denunciation of the Governor.

Fourth-We denounce the indecent maste displayed and disrespect shown the ecople by the governor of the state in he appointment to the vacancy in the 'hited States senate of M. S. Quay, who, o prevent a full investigation before a Jury of his county, pleaded the statute of limitations against the most serious charges of crime. In this appointment and the unwarranted reduction of the public schools appropriations, and nnuthorized veto of the constitutional nendment resolution he has violated the onstitution, usurped authority nowhere granted him, and perpetrated wrongs against the people and the state that demand his condemnation,

Fifth-We heartily approve of the course pursued by the members of the Democratic party in the house and sen-ate in the last legislative session who contended for purity and honesty in the conduct of affairs and against corrup-tion and public jobbery, and commend their devotion to duty and the high standard of reform to which they have have committed the Democratic party, Sixth-As a political organization, we are committed to a therough reform and promise if entrusted by the people with the opportunity and power, to adminis-ter the state treasury after clean and simple business methods; for the ad-cantage of the taxpayers of the state and prompt payment of school and charitable appropriations as well as the moneys due the counties, and not to withhold them in the banks for the enrichment of the

Seventh-We are committed to a thorough purging of the list of employes, clerks and officials in the several depart-ments, and the elimination of all unnec-ersary employes, the reduction of salaries and the expense of the departments which have so enormously increased since the administration of Governor Pattison.

Favor Revision of Tax Laws. Eighth-We favor a revision of the tax aws of the state, in the interests of the people, to the end that corporate prop-erty may pay its due share, that municipal franchises may be valued and assessed as any other form of property and that no interest shall be favored, out that all shall stand on an equality. Ninth—We favor the adoption of such tatutes as will prevent the further grant f municipal and other franchises, in per-etuity, and will enable the people of the unicipalities to derive a just benefit and come from this form of public property ommensurate with the value thereof.

Want Changes in Ballot Law. Tenth-We favor a revision of the ballot law, maintaining its secrecy, simplifying the method of voting and protecting the voter against fraud and coercion. We

tution, so as to require a personal regis-tration of voters in the cities, and we denounce Governor Stone for attempting, by his veto, to interfere, without right or justification, with the legislative act passed for that purpuse, and the attempting to prevent the people from passng upon this important matter.

Demands Prosecution of Bribers. Eleventh-We demand the immediate prosecution of those found guilty of oribery, actual or attempted, in the election of a United States senator by the committee appointed to investigate the charges made; and if found guilty by a trial before a jury, we demand their sentence to the full penalty allowed by

Twelfth-We are opposed to all com-inations of capital calculated to produce monopoly, or restrain the idea as being inconsistent with the spirit of free institutions; and if their establishment cannot be constitutionally prevented, we hold that they should be so regulated and limited by proper legislation that individual effort and opportunity shall not

Thirteenth — The Democratic party pledging itself and its credits to a faith-ful obedience to the constitution and the laws to the support of all measures intended to secure free, fair and honest elections, to promote honest, efficient and economical administration in state and municipal affairs, and to prevent the use of public money, legislation or pat-ronage for private profit, calls upon all good citizens to lay aside all other questions and unite with it in an effort to save the state.

Confidence in Committeemen Guffey. Fourteenth-We hereby express on arnest admiration for and devotion to our present representative on the na-ional committee, the Hon. James M. (juffey, who through his wise and pru-dent advice and his pre-eminent skill ergy and courage, rounited our party and who, without hope of reward, has spent his time and substance for the welfare of our state, for which our party should keep him in grateful remembrance.

Fifteenth-We glory and rejoice in the contry in the late war with Spain of the brave and noble men who perilled their lives and shed their blood in order that a conflict waged for humanity's sake night be brought to a speedy and tri-

mphant close The report was unanimously adopted, lames Cadwalader, ir., of Philadelphia, aid that since William J. Bryan's name had been mentioned in the platform be desired to withdraw as delegate from the envention.
