JERMYN AND MAYFIELD.

The cycle parade last evening was witnessed by hundreds of people who thronged the sidewalks. As a whole, the turnout was highly creditable to the wheelmen, but the absence of Archhald had also a go sized delegation in the division. The econd division was composed of local wheelmen. Many of the wheels were quite nicely decorated. Those worthy where he resided until about twelve of special mention being Willie Park, Willie Hill, Joe Loughney, Eddie Breen, Tom Gavin, Sumner Davis, Jenry Trotler, Harry Freas, Nichol and Patten, the Carbondale tandem, and Miss Florence Gebhardt, the only lady rider, who carried off the honor for the Mrs. Ayers, of Peckville; Mrs. Hankin, prettiest decorated wheel in the parade. In the first division there were this city, and C. H. Ledyard, of Pleassixty-two riders and in the second sixty-four. One of the amusing features of the parade was Will Snyder dressed as a clown and riding the well known Dewey mule. Harry Reeves' band, drawn by his speedy thoroughbred, which brought up the rear, also caused much amusement and was followed all along the route by hundreds of children. The order of the parade was as follows: Chief McGinley, carriage containing the burgess, Citizens' band, visiting wheelmen, Hogarth's band, local wheelmen, West Mayfield band. After the parade a social was held in Enterprise hall, which was largely attended and proved very enjoyable, the proceeds of which will be devoted to paying off the debt incurred in building

Bad management keeps more people n poor circumstances than any other one cause. To be successful one must look ahead and plan ahead so that when a favorable opportunity presents itself he is ready to take advantage of it. A little forethought will also save much expense and valuable time. A prudent and careful man will keep a bottle of Chamberlain's Colic Cholera and Diarrhoea Remedy in the house, the shiftless fellow will wait until necessity compels it and then ruin his best horse going for a doctor and have a big doctor bill to pay, besides; one pays out 25 cents, the other is out a hundred dollars and then wonders why his neighbor is getting richer while he is getting poorer.
