

JURORS WANTED SOME INFORMATION

JUDGE PURDY HAD GONE TO HIS HOME IN HONESDALE.

Jurors Decided Not to Have Him Brought Back and Will Endeavor to Reach an Agreement in Winton-Pancoast Suit with the Information at Hand—Verdict Reached After Adjournment in the Lowery-Driesen Case—It Will Be Reported This Morning.

The case of the Winton Coal company against the Pancoast Coal company was submitted to the jury yesterday just before noon by Judge Purdy. At 4 o'clock the jury went word from the room that they wanted some instructions on a point that was not clearly understood. Judge Purdy had gone to his home in Honesdale in the meantime and Judge Gunter, who received the message was in a quandary as to what should be done.

After some deliberation he sent back word that the jury would have to come to an understanding of the matter themselves or wait until Judge Purdy could be brought on from Honesdale. The jury pondered over the matter for a while and then concluded that they would not wait for Judge Purdy, but proceed on the information they had at hand. At a late hour last night the jury had not reached an agreement.

Two verdicts were arrived at after adjournment. One was in the case of B. P. Lowery against H. Driesen, and the other in the case of Matthew McPherson against the Empire Dry Goods company, a sheriff's interpleader to test the ownership of the stock of Hendrickson Brothers, of North Main avenue.

The Empire Dry Goods company issued an execution against Hendrickson Brothers on a claim for \$36.16 and was about to sell them out when Mr. McPherson served notice on the sheriff that the goods belonged to him, claiming that they had been transferred to him in payment of a \$50 claim for money loaned.

The verdicts in both cases will be reported to Judge Gunter in the morning.

UNIVERSALISTS' CONVENTION.

Sessions at Bradford Have Been Concluded.

Athens, Pa., June 16.—The Universalists convention opened with a large attendance yesterday, in spite of the exceedingly warm weather. The first half of the day was taken up by the Women's Missionary society. Mrs. Quimby, of Leavenworth, Kans., gave a very interesting address showing the good work the society had accomplished by aiding churches and in other ways. In the two and a half years of its existence it has raised \$30,000.

Seven new members were received. Mrs. Joseph Mason, of Philadelphia, was elected president; vice-president, Mrs. Strickler, of Philadelphia; secretary, Mrs. J. M. Rahm, of Towanda; treasurer, Mrs. H. L. Long, of Towanda. The afternoon was devoted to the convention of the Young People's Christian union, which was opened by the president, H. H. Wilkinson. Miss Maud Wadde is secretary. After the organization was effected, Dr. Sweetser led in prayer. Then followed the singing of the state song.

The business was at once entered upon. Reports of the secretary and treasurer were received and the various unions read reports. The election resulted as follows: President, H. H. Wilkinson, of Philadelphia; vice-president, Mrs. S. C. Benjamin, of Scranton; secretary, Miss Maud Wadde, of Brooklyn; treasurer, Miss Fannie Eleanor Long, of Towanda; executive board, Miss Martha Stuben, Miss Sallie Marsh, Reading; Mrs. Effie L. Shipman, Lincolnton.

At 7:30 the chairman again called the meeting to order for the grand rally of the Young People's Christian union. The church was beautifully decorated. The meeting was opened with prayer by Dr. Bishop, of Boston. Then was given a very excellent paper on "Our Union, How Can We Improve Them?" by Miss Nellie G. Loomis, of Kingsley, Pa.

After a beautiful solo by Mrs. Ballou, Dr. Bishop gave the unioners a talk on the Lyman convention. After that another of Mrs. Tiffany's fine solo, the state banner was awarded to Nicholson, which had made a gain of one hundred per cent. in its membership. After singing the state song, the convention adjourned to meet at Lincolnton in 1900.

M'GINLEY CLOSELY GUARDS THE OFFICE

FEARS ANOTHER SURPRISE PARTY FROM VOSBURG.

Either He or His Assistant Was in the Office to Assert Open, Notorious and Adverse Possession During All the Time That the Municipal Building Was Open Yesterday and Last Night—Mr. Vosburg Will Try to Effect an Amicable Adjustment.

Attorney A. A. Vosburg, whose bond as city solicitor was finally approved in common council Thursday night, went before Mayor Moir, yesterday, and took the oath of office.

He made no attempt to take possession of the office, but today, it is his intention, to wait upon City Solicitor McGinley and endeavor to arrange matters amicably. If he is not successful in this he will proceed to do business as city solicitor at his office in the Liberty Hall building.

Eventually one or the other will have to go into court to test the question of which of them will draw salary.

Mr. McGinley contends that there is no record of Mr. Vosburg having been elected, either on the minutes of councils or the records of court and that the controller would not be warranted in paying Mr. Vosburg. On the other hand, Mr. Vosburg asserts that he arranged to have Attorney E. H. Shurtleff removed from the office of administrator of the estate of J. B. Parries, deceased.

Mr. McGinley is determined that Mr. Vosburg shall not come into possession of the city solicitor's offices surreptitiously. All day yesterday either he or his assistant, Mr. McAndrews, remained in the office, even during the noon hour, to prevent the possibility of coming in and finding Mr. Vosburg in possession.

Last night, Mr. McAndrews remained at the office with windows and doors firmly secured, until the building was locked up for the night. He will be around this morning bright and early so that he can take possession of the office immediately upon the building being opened by Janitor Ward.

WILL HOLD A BUSH MEETING.

Occurs Sunday Afternoon at the Base Ball Park.

What is known as a "Bush Meeting" will be held on Sunday afternoon, June 25, in Athletic park, Providence road, under the auspices of the Shiloh Baptist church, Rev. J. H. Bell, pastor.

An excellent programme has been prepared for the occasion and addresses will be made by Rev. H. H. Harris, of Taylor; Rev. H. A. Grant and Rev. Thomas De Gruchy, of this city.

"Two Heads Are Better Than One."

One, however, is the portion allotted to the average mortal. If this one aches and will not work properly, it is worse than none. When the stomach is blamed, the kidneys come in for censure and the liver is sure not to escape. As a fact, the blood is solely responsible for the condition of these organs.

Let your one head dwell on this fact, because it is the leading point in life and health. The natural blood purifier and tonic is Hood's Sarsaparilla. It has been "tried" and never "found wanting." It never disappoints.

Scrofulous Humor—"I was in terrible condition from the itching and burning of scrofulous humor & grew worse under treatment of several doctors. Took Hood's Sarsaparilla and Hood's Pills. These cured me thoroughly." J. J. LITTLE, Fulton, N. Y.

Pimples—"I have never been well and strong until lately. Hood's Sarsaparilla stored my strength and caused the disappearance of annoying pimples on my forehead. It is a great medicine." ANNE MESSERS, 1240 Atlantic St., St. Paul, Minn.

All Gone—"Had no appetite or strength, could not sleep or get rested, was completely run down. Two bottles Hood's Sarsaparilla cured the tired feeling and I do my own work." Mrs. A. Dick, Millville, N. J.

Erysipelas—"A scrofulous condition of my blood caused me to suffer from erysipelas for 15 years. Physicians did not even help. Hood's Sarsaparilla permanently cured this disease." A. E. SMITH, 208 Court Ave., Jeffersonville, Ind.

Vigor—"As a regulator, purifier, and invigorator Hood's Sarsaparilla stands at the head. It takes away that 'brown taste' and gives youthful vigor." J. D. GAZES, 320 State Street, Chicago, Ill.

Tired Feeling—"My appetite was capricious, my liver disordered and I was tired. Hood's Sarsaparilla relieved it all. It cured a friend of mine of female weakness." Mrs. Jesse A. MEANS, Clayton, Del.

Hood's Sarsaparilla Never Disappoints. Hood's Pills cure liver ills, the non-brilliant and only cathartic to take with Hood's Sarsaparilla.
