moved. Then came Gleason and this put

the home team in a helpless condition.
The game was finally continued and Wil-

Umpire Burns. He promptly removed Wilson from the game for what he claimed was a deliberate move to allow

the ball to hit him. This caused another row and Gleason and Warner were or-

Today's Battie. The Scranton team arrived in this city yesterday afternoon at 2.30. The men are all feeling well, and in the pink of condition, and are ready for

their battle today with Reading. Hodson will go into the box. O'Connell, who has played second base during the season, told a Tribune representative that he had left the Scranton team for good, but would remain in the city until he has made arrangements to go elsewhere. He is still suffering from his injured hand, and says he is in no hurry to sign elsewhere.

New York, June 17.—The prices at the opening were about the same as last night's closing. The two hours business was light and inactive with few examinations; the range of price was narrow. It was a trader's market, the commission houses doing very little. Flower & Co. were heavy buyers of their specialties on a scale. The Coal stocks were the only features and were strong on good bidding by Housman and other large houses on what seemed to be inside information, probably a coal deal on. Morgan will not give out any information on this subject, aithough he speaks confidently of good conditions generally. The Industrial group was under pressure, with pronounced declines in Steel and Wire, Federal Steel, National Steel and Sugar. This was accounted for somewhat by the bank statement which showed a loss of about \$0.135,900 in surplus reserve. The traders were sellers of stocks there was no news explaining the pressure, with the pronounced in the was a fractional steel while steel in the was a fractional steel in the was
