READING WON THE FIRST.

Hodson Threw Well, but Received Poor Support-The Game Was Listless, Dull and Uninteresting-Drauby Fined.

About 300 spectators saw the Scrantons go down before Reading yesterday by a score of 9 to 6. It was a poor exhibition of ball. The game was featured by considerable kicking over a ball. It cost Drauby a five spot for calling Umpire Moran an "old stiff." The Scranton team had several changes in its makeup, which added some to her defeat. Knoll was not in his position on account of illness, so Lippert went to centre, and Flanaghan to right: McMahon was not at short, owing to sickness in his family and Risley played the position with much

The batting order was also changed, Risley batting in Knoll's place and Flanaghan in Risley's place. Hodson pitched good ball until the ninth, but received poor support. The fielding of the home team was erratic, indeed. Stauch, our new second baseman, did not make any showing yesterday

worthy of mention. Fertch pitched well for Reading, but was relieved in the ninth by Murphy, who added one run to the visitors'

Reading went to bat first and made three runs in the first inning and made no more until the seventh, when Cockman scored one by a two base hit, a tly to Eagan and an error by Risley. in the ninth, they used Hodson quite eadly and touched him for five runs, making their total nine.

Scranton did not score until the fourth, when Lippert by making a single, going to third on an error of Childs, scored on the error by Fox. in the fifth and sixth inning we scored two runs each and one in the ninth by Eagan. Risley's playing at short n the fourth inning was very fast, indeed. The score:

DIAMOND PICK UPS.

Flanaghan's base running is very slow. Ic needs good coaching. Risley's work at short was very strong He is a valuable man to the team. Flanaghan at right had but one chance in yesterday's game, which he accepted. Fox is certainly a star catcher. His throwing to second was very true and

speedy.

Drauby will have less to say to Umpire Moran if it costs him \$5 every time. He talked too much. Had Hodson been supported as he hould have been, the score would have een much different. Scranton and Reading will play two

games today for one admission, the first game beginning at 2.15. The Reading team has some good men at the stick. That is where Scranton is weak. Two good heavy batsmen would

make a great change. AMATEUR BASE BALL NOTES.

THE MARKETS.

Wall Street Review.

Wall Street Review.

New York, June 19.—Speculation in stocks has evidently reached a sort of equatorial line, and is hopelessly becaimed in the deldrums, with not enough headway to indicate in which direction its course shall be finally shaped. Dealings today continued profoundly dult, and outside of novements of a few special stocks which were influenced by individual causes the day's events were inconsequential. As is only natural in a market where the buying demand is practically nil, the drift of prices was downward, even with a very small body of offerings to weigh on the market. Total sales, 342,500. Prices of railroad bonds tended to fall but business in them was almost as quiet as that in stocks. Total sales par value, \$1.995,000. U. S. 3's coupon de lined \$4, and the old 4's coupon advanced 14 in the bid price.
