### TUCKER & MAXEY FAILURE REVIVED

#### CONSPIRACY GROWING OUT OF IT IS ON TRIAL.

David Seeds Pleaded Guilty to a Lesser Offense Than the One He Was Indicted for and the Plea Was Accepted—Patrick Grady Exonerated from Complicity in Death of Patrick Moore's Pig—Wolfenden Shot Gision for Flirting with the Former's Girl.

Before Judge D. W. Searle in court room No. 2 yesterday, Evan Tucker, T. J. Maxey, M. P. Jacobs and E. H. Berry were tried for conspiracy. A. L. Wright was the prosecutor. The commonwealth is represented by Assistant District Attorney W. Clayford Thomas, Hon. John E. Reynolds and E. D. Stuart, and the defendants by Attorneys C. P. O'Malley and John F. Searge. The case is an outgrowth of the new famous Tucker & Maxey failure.

The charge is that the defendants conspired to cheat and defraud the Bulica Importing company of New York city out of \$99,75 worth of tea on Nov. 21 last. The commonwealth offered evidence to show that about the time of their failure Tucker & Maxey ordered from the tea company the tea in question and turned it over to the other defendants who stored it in an old unused mill at Forest Glen. The tea was afterwards found by A. L. Wright, who is named as prosecutor, and identified through private marks, etc., by Mr. McDonough, a representative of the company. It is evident that the commonwealth will endeavor to show that the tea was ordered and shipped to Tucker & Maxey in pursuance of an arrangement between them and Tucker & Maxey, with the intention to defraud the tea company out of the value of the tea; and that the order was given when Tucker & Maxey were insolvent.

McDonough, a representative of the tea house, and A. L. Wright, of Carbondale, were the only witnesses called before adjournment yesterday. Wright, it appeared, was employed by the creditors of Tucker & Maxey to ascertain what he could concerning goods known to have been ordered and shipped to them, but not turned upon the premises at the time of the failure. He testified to finding the tea and to a conversation between himself and Jacobs, one of the defendants, in which the latter asserted that he had purchased the tea from Tucker & Maxey. He stated that he found the name of Tucker & Maxey had been partially erased from the various chests containing the tea. In some cases it appeared that the erasures had been made with an old plane and in other cases by the use of black paint.

SEEDS PLEADED GUILTY. Before Judge Edwards, David Seeds pleaded guilty to being the father of the child of Mabel Cross, which was born in November last. The Cross girl went on the stand yesterday and said that Seeds forcibly violated her in February, 1898. He lived in a house adjoining her parents, Mr. and Mrs. Joseph Cross, on Wright court, on the West Side. She said she will not be fourteen years of age until next September.

Attorney Nathan Vidaver in opening for the defense said they would prove that the girl is more than fourteen years of age and that for some time she has not enjoyed a good reputation. They would produce witnesses, he said, who would testify to various acts of immorality on the part of the girl. The client was willing to plead guilty to the charge of being the father of the child, but was not guilty of the more serious crime alleged against him. The commonwealth decided to accept Seeds' plea of guilty and he was sentenced to pay a fine of \$25 and costs, \$50 for lying in expense and \$1 a week for the support of the child until it is seven years of age.

Griffith Thomas and Harriet Thomas pleaded guilty to statutory burglary and will be sentenced Saturday. While drunk one night a few months ago they broke the window of James Saville's oyster house in North Scranton and stole some oysters. John McHale and Walter Mallia were returned not guilty of burglary. One night early in the summer they broke a window in the basement of Charles Wenzel's saloon on West Lackawanna avenue and were supposed to be attempting to break into the place. The defense was that they were drunk and Mallia fell down the cellar steps breaking the window. McHale went down to bring up Mallia and then both were discovered by the occupants of the building and afterwards arrested. The jury believed their story and acquitted them.

VERDICT OF GUILTY. In the case of Wodislaw Stachowitz, charged with malicious mischief, a verdict of guilty was returned. The case was tried before Judge Searle Tuesday. John Pateska and John Weber, who were tried before Judge Searle for robbing Dominick Ambrose of \$30 on a road leading from Austin Heights to this city, were returned not guilty. William Griffin who was tried before Judge Edwards Tuesday for statutory burglary was yesterday found guilty of receiving stolen goods and was fined \$1 and sent to the county jail for seven months.

A verdict of not guilty was taken in the case of George F. Jacobus charged with larceny by bailee by A. F. Reynolds. James J. Rogers did not appear to answer a charge of malicious mischief preferred by Sarah Martin and a verdict of not guilty was taken. A capias was issued for Constantine Rochefski who is charged with robbery by John Novyaski. The defendant failed to appear for trial. Bridget Sheehan was indicted for being a common scold at the instance of Alex. Dunn, Jr., but when the case was called yesterday a verdict of not guilty was taken.

Verdicts of not guilty were taken in the cases of assault and battery preferred against John M. Barrett by Catherine Gilman and Anna Gilman. The parties live at Carbondale. GRADY NOT GUILTY. Patrick Grady was tried before Judge Edwards for poisoning the pig of Patrick Moore. The defendant alleged that the case is a spite action and that he was not guilty of the poisoning. The jury said not guilty and decided that the prosecutor pay the costs. Azariah Wolfenden was found guilty of shooting Albert Gision in the shoulder with a shot gun. The parties reside at Mayfield and Gision had endeavored to get up a flirtation with Wolfenden's girl. This angered the latter and he rushed to his house and secured his shot gun and then shot Gision in the shoulder. Wolfenden was wounded in the arm but slightly. Wolfenden was sentenced to pay a fine of \$1 and spend thirty days in the county jail.

In the case of the commonwealth against Thomas Lyons charged with embezzlement by T. S. Hurling the court directed that a bill of particulars be filed today. Judge Searle directed a verdict of not guilty in the case against Anthony Bertnick charged with robbery by Park Place and Lisick boarded with Bertnick. The commonwealth did not make out a case and conviction was not asked for. John Chester Peck was yesterday sentenced by Judge Searle to pay a fine of \$25 and spend six months in the county jail.

Master Car Builder Canfield, of the Delaware, Lackawanna and Western railroad shops, received a telegram yesterday from Boston, notifying him that the large hollow chisel mortiser, ordered recently, was shipped Tuesday, and will reach here the latter part of this week. The mortiser is a part of the large order for modern machinery for the saw mill of the car shops, placed some time ago.

When a locomotive goes off the track it looks at first as if nothing could ever put it on again. No ordinary tools will move it an inch, and yet there is apparatus powerful enough to lift up that enormous engine and set it smoothly running again. In the human constitution, the throw off the track by some frightfully complicated disease, it looks as if only a miracle could restore it; and yet it can be done. "It is my greatest desire," writes Mrs. Wm. A. Vollmer, of Concord, Cabarrus Co., South Carolina, in a grateful letter to Dr. R. V. Pierce, of Buffalo, N. Y., "to have you publish my daughter's cure; for it is the nearest to a miracle that I ever witnessed. She had St. Vitus's Dance so badly she could not hold her hands, feet or head still one moment, only when asleep. Mornings she could not dress herself, she would faint and often fall. Her shoulders and head were constantly jerking with great difficulty. Her tongue was often thrown out, and her face in different shapes. "She could not take a dipper of water nor food, nor anything to her mouth. If she tried to put any food to her mouth she would sneeze it over her face and she would faint. She could not chew her food; all solid food I had to mash up fine. We could hardly understand anything she would try to say. "I bought one bottle of Dr. Pierce's Golden Medical Discovery, one bottle of his 'Favorite Prescription' and one of his 'Pleasant Pellets.' I wrote to Dr. Pierce and he answered promptly giving advice how to give his medicines, and also how to keep her hygienic surroundings as near perfect as I could. "After taking the medicine three weeks, I noticed the symptoms gradually leaving. I continued until the last dose of the two bottles (one of 'Golden Medical Discovery' and the other of 'Favorite Prescription') was given. Her perfectly well. I wish everybody knew the great value in Dr. Pierce's medicine. If persons wishing to know more will write, enclosing stamp, I will gladly answer. "Do not hesitate to write to Dr. Pierce. He will advise you by mail, free of charge.
