SERMON TO THE KNIGHTS OF MALTA

IT WAS DELIVERED BY THE REV. G. W. WELSH.

Number of Members of the Local Commanderies Heard the Discourse in Calvary Reformed Church Last Night—He Took for His Text the Words, "Be Thou Faithful unto Death, and I Will Give Thee a Crown, Life"—His Thoughtful Sermon in Part.

In commemoration of the two hundred and fifty-first anniversary of the Knights of Malta, a special sermon was delivered to members of that order in the Calvary Reformed church last night by the pastor, Rev. George W. Welsh. A number of members of the local commanderies of the Knights of Malta occupied seats in the centre of the church. The speaker took for his text words taken from Revelation, chapter viii, verse 13: "Be thou faithful unto death, and I will give thee a crown, life." During the course of his sermon, Rev. Mr. Welsh said in part:

In these days of exposures one would think that religion had all left the cities and fled into the country. We are often led to believe that such has been the case always. I think the facts show the opposite. Great reforms nearly always have their first substantial start in cities.

Christ did most of His preaching in the country, but the first church was in Jerusalem, and the first center radiated the influences and pulsed the blood which established and kept alive the churches of early Christendom. The first century became sub-centers for like influence and life and afterwards played an important part in shaping the future of the church.

DIED AT A PICNIC.

William Locher, a Young Man from Pine Brook, Expires in an Epileptic Fit at Gravel Pond.

While attending a clam bake at Gravel pond, yesterday, William Locher, a young man from Pine Brook fell in a fit and died before medical assistance could be brought to him.

He was one of a party of forty men who drove to the pond yesterday morning with the intention of spending a day of enjoyment. They arrived there shortly before noon and had hardly begun the festivities when Locher was stricken down. When after a quarter of an hour of writing he showed no signs of recovery it was decided to secure medical assistance. The medical men set out for H. B. Le High to summon Dr. Straub, but had only early started when Locher expired.

The picnic was given up and the party returned to the city, bearing the body in a spring wagon hired from a farmer. Coroner Roberts, who had been notified by telephone, was met at Clark's summit. He viewed the remains and then allowed them to proceed. Later he performed an autopsy and satisfied himself that the state of death was as told by the unfortunate man's companions. He was subject to epileptic fits.

The deceased was 39 years of age and unmarried. He was a teacher by occupation and boarded in the rear of Winters' store on Exposure avenue.

SOUTH SIDE PARISH.

Meeting of the Men Held in St. Thomas College. J

A meeting of the parishioners who are included in the limits of the new Catholic parish, which has been created on the South Side, was held last evening in the chapel of St. Thomas college. Upwards of 200 men were in attendance and Phillip McCue acted as chairman.

Rev. J. A. O'Reilly was present and presented plans prepared by an architect for a permanent convent and school and a temporary basement church. These did not meet with the approval of some of those present as they stated that they had not had sufficient time in which to consider the question. Some were in favor of building a permanent church and parochial residence first, while others agreed with Father O'Reilly's views.

After considerable discussion it was decided to appoint a committee to confer with Bishop Hoban in regard to the matter. The committee was appointed and is composed as follows: C. Donovan, Patrick Cavanaugh, William A. Gallagher, Patrick Messet and Richard Grimes.

COUNTRY CLUB GOLF.

Very Excellent Showing Made by Mr. John Brooks on Saturday.

There was a somewhat general opinion expressed on Friday that if John Brooks could play Saturday as on the previous afternoon that it would take a pretty lively professional to defeat him in the round of the links at the Country Club. He made a record of 37 on the upper course that afternoon which is a great score and then stopped to play base ball without finishing the other nine holes when his previous record of 78 could surely have been broken.

A great deal of interest was excited by the Tribune's announcement that he was to play with Hamson, the famous professional, that day. The game came off in the afternoon and John made the surprising record of 72 as the result is 75. Hamson making 75. The professional was greatly taken with his opponent's playing and is desirous that he shall enter the Chicago open tournament the first week in July.
