DEATH OF PATRIK GRATTAN. Old Resident Passes Away at the Age of Three Score and Ten.

Bad management keeps more people in poor circumstances than any other one cause. To be successful one must look ahead and plan ahead so that when a favorable opportunity presents itself he is ready to take advantage of it. A little forethought will also save much expense and valuable time. A prudent and careful man will keep a bottle of Chamberlain's Colic Cholera and Diarrhoea Remedy in the house, when a shifless fellow will wait until necessity compels it and then ruin his best horse going for a doctor and have a big doctor bill to pay, besides: one pays out 25 cents, the other is out a hundred dollars and then wonders why his neighbor is getting richer while he is getting poorer. For sale by all druggists; Matthew Broca, wholesale and retail agents.

For Nervous Exhaustion there is no remedy equal to Horsford's Acid Phosphate. Genuine bears name Horsford's on wrapper.
