About forty members of the Willow Leaf lodge were present, besides many others from Carbondale, Jermyn and other places.

When they arrived they were served with a delightful repast, after which the business of the evening was proceeded with. At the conclusion of the meeting some fine selections of music were given.

EVENTS OF DAY IN WEST SCRANTON

YOUNG MEN ARRESTED UNDER SUSPICIOUS CIRCUMSTANCES.

Had Gained an Entrance Into Profligate & Watkins' Barn—Trouble Raised in Kelly's Row Under Arrest—Dewi Sant Officers Elected. Meetings of Literary, Social and Other Organizations Last Evening—Entertainment in Tabernacle Church—Other Notes of Interest.

The family of Thomas Harris, residing over Prothero & Watkins' store, on South Main Avenue, which was recently damaged by fire, were awakened at an early hour yesterday morning by noises in the barn located in the rear of the store.

Patrolman Markler, who was on duty on the South Main Avenue beat, was notified, but when he made an investigation the intruders had fled. Shortly afterwards the family were again disturbed and Mr. Harris notified Patrolman Hart, who was eating his lunch in the station house. Together with Patrolman Saul, the three men went to the barn and surrounded the building.

Meantime Lieutenant Williams joined in the search for the supposed burglars. Presently one of the young men left the building, holding a bundle through a window and Hart covered him with a revolver. The other officers entered the barn and brought the prisoners out.

Mr. Harris was anxious to know who the intruders were and when they were presented to him identified one as his own son, Llewellyn Harris, and the other was William Foley, who returned to this city on Saturday from a fifteen months' stay in Buffalo.

The young men were placed in the station house and at the hearing yesterday morning before Alderman John were held in \$500 bail for appearance at court.

The prisoners had gained an entrance to the barn by breaking through the door and Harris explained that Foley and himself had been drinking and that as he did not want to go home intoxicated and inasmuch as they had no place to sleep they decided to enter the barn and sleep off their "jag."

Both are young men who have borne good reputations. The fact that fire has twice been discovered recently in the store building led the occupants on the second floor to become suspicious.
