Lumley and son, David, of Union, N. Y., have returned to their home after a short visit in this city. Arthur Tracey, of East Buffalo, a former resident of this city, is spending a few days here. The excursionists of the Presbyterian Sunday school who spent yesterday at Jefferson park and of which there were several hundred, returned home at 6.30 o'clock and reported an exceptionally pleasant outing. Most of the park is in its primeval state and that constitutes its chief attraction. Most of the excursionists report that similar resorts in this vicinity are over-improved.

Thomas paid Uniondale a business visit yesterday. G. S. Kimball returned yesterday from a business trip through Susquehanna county. He, accompanied by Mrs. Kimball, who has been at Crystal lake, will go to Wilkes-Barre today.

JERMYN AND MAYFIELD.

Jim Tucker, a miner in the Delaware and Hudson colliery, was injured by a fall of "back" while at work yesterday. He was almost buried by the fall for a few moments and his escape from instant death was remarkable. He was able, with assistance, to walk to his home on Fourth street. His body is severely contused, but it is thought he will be all right again within a week.

George Reeve, son of Mr. and Mrs. Harry Reeve, of West Mayfield, who is employed in the Keaton colliery, while running some mine cars a few days ago, was severely squeezed about the face, head and body. Dr. I. S. Graves, who attended him, found it necessary to put six stitches in one of the cuts in the lad's head.

J. L. Crawford and Luther Keller, of Scranton, were in town yesterday consulting with the attorneys of some of the other creditors of L. W. Hoffecker, who was closed by the sheriff on Monday. There is some talk on the part of a portion of the creditors to place the whole affair in bankruptcy.

Dr. S. D. Davis met with a painful mishap yesterday, falling backwards over a box near the Ontario and Western depot and fracturing the small bone of his leg about two inches above the ankle. The fracture was afterwards reduced by Dr. I. S. Graves.

The district quarterly convention of the Total Abstinence union societies will be held here on Friday evening, July 7, in Enterprise hall and will be followed by a social. An interesting programme has been gotten up for the occasion and the convention will undoubtedly accomplish much benefit to the temperance cause and the societies.

George S. Dunn, who has suffered somewhat in health for some months past, yesterday left for Newport News to recuperate. The Mayfield band, under the leadership of Professor Russell, last evening serenaded Mr. and Mrs. P. H.

I was seriously afflicted with a cough for several years, and last fall had a more severe cough than ever before. I have used many remedies without receiving much relief, and being recommended to try a bottle of Chamberlain's Cough Remedy, by a friend, who knowing me to be a poor widow, gave it to me, I tried it, and with the most gratifying results. The first bottle relieved me very much and the second bottle has absolutely cured me. I have not had as good health for twenty years. I give this certificate without solicitation, simply in appreciation of the gratitude felt for the cure effected. Respectfully, Mrs. Mary A. Beard, Claremore, Ark.
