HATS OFF TO GENTLEMAN JACK KEENAN, BALL TOSSER.

The Clever Little Twirler Worked Down the Champion Richmonds With Ease-Well-Earned Victory for Scranton-Newark, Lancaster, and Reading Also Win Their Games-Top-Notchers in the Big League Suffer Defeat at Pittsburg, Cleveland and Louisville-Other Games.

When Pitcher Jack Keenan had struck out the eighth Richmond batter in yesterday's game, the rooters arose with one accord and compelled the doughty little twirler to doff his cap twice in response to their applause, and he deserved it, too, for he pitched one of the best games ever played on a Scranton diamond. After seven in-nings of up-hill work. Scranton bunched their hits and took advantage of the new balk rule, a base on error, and a pass to first and won a signal victory over the champion Richmonds.

In the other Atlantic league games, Reading defeated Wilkes-BarTe and allowed Lancaster to slide into second place with their victory over Allen-town,and Newark forced Paterson farther down the percentage column by taking a one-sided game. A surprising feature of the National

league games was the defeat of the three leaders. St. Louis' win from Baltimore again reverses their positions, and Chicago drew close up to the Phillies by defeating New York.

Umpire Betts made his first appearance in Scranton, and created a very favorable impression by his work. He caught the crowd from the start.

A REMARKABLE GAME.

Scranton Defeated Richmond in One of the Most Cleverly Played Games of the Season-Arthur Irwin Saw the Game.

One of the most remarkable and cleverly played games ever witnessed in this city resulted in a well-earned victory for Scranton at Athletic park yes-The champion Richmonds terday. were the opponents and up to the

Gaffikin and Lippert which should have been caught and two other hits were of the scratch order. Scranton's five hits yielded a total of eight bases. Keenan struck out two men in the third, two in the sixth and two in the seventh. Lippert's throw from deep right, cutting off seybold at third, was a peach.

Scranton's errors were made on Doherty's muff of a foul fly and Knoll's fumble of Dundon's hit. Richmond erred on Wrigley's fumble of Gaffikin's grounder, Seybold's letting the ball get by him and Calhoun's fumble of Dillon's grounder, both in the eighth. The latter threw the ball to Pfanmiller, who was on the bag, but Dillon was there with the ball and would not have been out anyway, as the pitcher dropped the ball.

A good sized crowd witnessed the game and Manager Arthur Irwin, of Washington, occupied a seat in the press box.

Other Clubs. The proposed deal for the release of players by the Scranton club to Buffalo and Washington teams has been declared off by the directors of the association and all negotiations are at an end. At least that is the statement made by Manager Swift Directors Long. Costello and Fleming to The Tribune, representative at 11 o'clock last night. It was admitted that negotiations had been made, but nothing was done regarding the proposition. Both Manager Swift and the directors refused to say what players were wanted, but from what can be learned through another source, First Baseman Dillon and Right der Lippert were the men wanted Buffalo, and Dillon was wanted by in for the Toronto Eastern league Buffalo offered First Baseman Mas-v and Outfielder Householder in exinge for the Scranton men, or was ling to buy Dillon and Lippert's re-se outright, and it was intimated to Tribune representative yesterday Buffalo's cash offer had been acted, but the directors and Manager ift refused to verify this statement lanager Irwin, in speaking about the tter, said that President Franklin informed him the deal was connmated, and that it was useless for to try to get Dillon for Toronto, did not care to raise Franklin's He thinks well of Dillon and uld like to secure him for his Eastleague team, but does not care to e the price which is said was made Franklin. win was very favorably impressed th Keenan's work yesterday and iging from the comments made it uld not be surprising if an offer s made for him after the Fourth of He also thinks well of O'Neill Doherty. legarding the purchase of Coughor Patten, of Wilkes-Barre, Mr. Irsaid that the only negotiations r made with the Wilkes-Barre people was made several weeks ago when he ask them to put a price on Patten. They wanted \$2,500, he said, and he informed them that he did not want to buy the team. Irwin further expressed the belief that he could buy the whole bunch for \$500 after the Fourth of July. He was satisfied with the work of Atherton since the former Baron joined the Senators and the only reference made regarding Coughlin, Wilkes-Barre's third baseman, was that he considered him an excellent player. Manager Jake Wells, of Richmond, was also interviewed and when asked if Washington had a string on Wrigley, Irwin chimed in with the information that "they had a rope on him." but Wells wouldn't stand for that. Asked for an opinion regarding the probable dropping out of certain teams in the league after July 4, he would not answer and in answer to

the query as to whether Richmond was ahead of the game financially replied that the players salaries are being paid, the visiting teams receive their guarantee and they are still able to hold their own with the rest of the THE MARKETS.

run, in the fourth, on a base on balls to Calhoun, Dundon's single and Knoll's fumble of the ball. Calhoun Boston was left on third base in the second

inning, which was one of the two other chances they had to score. After two men had been retired in the eighth Dolan hit safe and was advanced to third on Seybold's double, after Doherty had a chance to retire the side. A base on balls to Calhoun filled the

of expectancy when Hargrove hit a high one- a sort of Texas leaguer-out between center and left. "Old Pete" started for it and after a magnificent run bagged the ball safely in his mit.

The features of the game were Keenan's pitching, Lippert's assist, retiring a runner at third, Eagan's catch and stops by Doherty and Wrigley.

The eight hits credited against Keenan do not indicate that he was hit hard. In the third a punky hit by Pfanmiller dropped between Knoll.

At St. Louis-R.H.E. Lippert then struck out and Gaffikin went out at first on a pitcher's assist. Richmond made a hit in each of the first six innings, but only tallied one Mannassau.

New York, June 29 .- The market opened very strong with a general ad-vance in prices in London, led by led by Louisville and Nashville, and the south western stocks generally, and during the first two hours showed great animation and strength, Manhattan and the railroad list generally being particularly active and higher. Brooklyn Rapid Transit was again the weak feature, opening off % per cent, and selling down over one per cent, in the first half hour, influenced by published stories in the newspapers that a strike of the employes was more than likely. While the market is purely professional, there has een to a certain ex-tent some increase in commission busi-ness and outsiders are more inclined to take hold of the market than they have been heretofore. At the same time, prices have sold up to quite high levels and the bear element is by no means exhausted, so that attacks on values are more than likely at times, and prices will probably fluctuate in both directions.

Tomorrow being virtually the last day of business until next Wednesday, a certain amount of liquidation is to market has been weakened to a certain extent in that direction. There was very little, if any, news to influence trading.

Brooklyn Rapid Transit employes meet tonight to consider demands on the management, and the outcome is watched with a good deal of interest.

A great many brokers were at the boat race at New London, which also served to curtail the trading in certain directions. Flower brokers were considered sell-

ers on balance and there was some ap-pearance of realizing in the Vanderbilt stocks. In spite of the fact that sterscocks. In spite of the fact that ster-ling exchange is weaker, there are or-ders in the market to ship more gold, so that it is considered possible that upwards of \$2,000,000, and probably more, will go out next Saturday. This is a surprise in exchange circles, as the recent heavy buying by London houses recent heavy buying by London houses warranted the belief that the ship-ments were about at an end.
