GAMES PLAYED IN VARIOUS LEAGUES

SCRANTON LOSES TWO GAMES AT NEWARK YESTERDAY.

Risley Batted Out of the Box and Dillon Substituted in One Game and Amateur Flanagan's Errors at Short are Responsible for the Other Defeat-Richmond Also Defeated Them on Saturday-Other Games in the National and Atlantic Leagues.

Scranton's cup of sorrow is overflowing. Four defeats in three days is enough to discourage the most enthusiastic fan. At Newark yesterday two games were lost through errors by an experiment at short and Risley's weakness, having pitched when he was not in condition to do so. Wilkes-Barre lost at Patterson by a

close score. Cincinnati took two games from Washington and Baltimore defeated St. Louis yesterday, The Saturday games in both leagues

did not change the relative positions of the various clubs.

HARD GAME TO LOSE.

Pitcher O'Neill's First Game Should Have Been Won by Scranton.

Errors Figured in Defeat of the Locals.

Scranton's weakness at the bat, coupled with several ranged errors and O'Neill's wildness were responsible for Richmond's victory on Saturday. Michael O'Neill, pitcher, brother o Catcher O'Neill, was on the runner and pitched a good game, but bases on balls in the sixth and seventh innings were costly, especially as both men who received passes to first scored on hits that followed.

Michael kept the champions guessing until the sixth inning, when a single, a double and a home-run hit netted three runs. He struck out eight men, gave seven bases on balls, had one assist. and allowed eight hits, for a total of twelve bases. At the bat, he flew out to deep right-centre twice, and drove n one of Scranton's four runs.

Richmond's runs were scored in the ixth inning on Dolan's walk, Seybold's nomer, Dundon's single and Steelman's double, and in the seventh on Shannon's pass to first, Seybold's single and Calhoun's drive to left, which Eagan fumbled and threw wild to catch Seybold at third. Scranton tallied one in the sixth when Calhoun failed to hold Wrigley's assist on Eagan's drive, which gave Pete a life, and McMahon's

Worcester, S; Providence, 5. Newark, July 2.-Newark won a double-header from Scranton today,defeating the Pennsylvanians without great difficulty. In the first game the home team bunched their hits in two innings. Cogan had the visitors guess-ing from the start. Tony Mullane made his debut as a league umpire and not a decision was disputed in either game.

Scranton hit McPartlin safely but four times in the second game and with better support the Newark pitcher would have scored a shut out. was knocked out of the box in the fourth inning. There were a half dozen sensational plays, Bottenus making two circus catches. Scores:

DIAMOND PICK UPS. Ex-Umpire Berger is at his home Pittsburg and wants an engagement as a catcher. Knoll made a beautiful running catch in the fifth inning of a fly from Steelman's bat, Tate, the new player signed, may prove all right for second base, but as a right fielder he will not do. Seybold's home run drive which struck the left field fence, was a corker, and Earan said it struck fair. Manager Swift could do worse than bianager Switt could do worse than try a few more of the old Young Men's Christian association players. Catcher Logan and Shortstop Cleary and First Buseman Owens are all in the city and

would strengthen his team materially.

A Cheap Trip to the Pacific Coast.

The National Educational Association meeting at Los Angeles, Cal., is the occasion for the Southern Railway to put on the remarkably cheap rate of one fare for the round trip (plus

\$2.00 Association Membership fee). This, in connection with the new Palace Tourist Sleeping Cars, operated over the Southern Railway and Southern Pacific, a double berth in which costs only \$7.00, renders possible the cheapest and most enjoyable trip of the season. A particularly pleasant feature of this trip is that the tickets are Colorado; or by the payment of \$12.50

additional, the trip may be made returnink through Portland, Ore. Stop-over privileges are allowed at El Paso or any point west thereof, on

the going trip, and at any point west of Denver and Colorado Springs on the return trip. By this means passengers are afforded the opportunity of seeing the entire Pacific Coast. Side trips are arranged at nominal cost from Los Angeles and San Francisco to all points of interest in California. Further information may be obtained from Chas. L. Hopkins, D. P.
