

THE manufacturers of Castoria have been compelled to spend hundreds of thousands of dollars to familiarize the public with the signature of Chas. H. Fletcher. This has been necessitated by reason of pirates counterfeiting Castoria. This counterfeiting is a crime, not only against the proprietors of Castoria, but against the growing generation. Mothers should be careful to see that Castoria bears the signature of Chas. H. Fletcher if they would guard the health of their children. Parents, and mothers in particular, ought to remember that the wrapper of every bottle of genuine Castoria bears the signature of Chas. H. Fletcher, under whose supervision it has been manufactured continuously for over thirty years.—Philadelphia Bulletin.
