WILKES-BARRE WENT DOWN.

Defeated by the Superb Pitching of

Smith. Lancaster, Pa., July 7.—Wilkes-Barre, this afternoon, went down before the superb pitching of Schmidt. Other fcatures were Ward's batting and a sensational catch by Odwell. Score: LANCASTER.

DIAMOND PICK UPS.

It is very probable that Syracuse will retain its place in the Eastern league and continue the Stars under a new management. John J. Murray, of the Syracuse club had a conference with a number of citizens, who are able to back the game, and who are inclined to believe that it can be made to pay in Syracuse. So it is likely that a combination will take hold the team and finish the season.

THE MARKETS.

Wall Street Review.

Wall Street Review.

By Carrington & Cusack.

New York, July 7.—The market opened strong and higher, especially in Manhattan, New York Central, Pennsylvania and the Coulers. The firmness in Pennsylvania and New York Central is attributed to rumors of an important arrangement between these lines likely to result greatly to mutual profits of both lines. The Grangers again showed great strength and made advances. Atchison preferred was particularly strong, making an advance of about two points for the day. about two points for the day.
We are told by good authority that

are buying it freely, and that import-ant developments are pending that will benefit the property.

The break after the opening was caused by selling of houses with west-ern connection, but the market took

all their stocks and steadily advanced, closing at about high point of the day.
