

EVENTS OF DAY IN WEST SCRANTON

REV. D. D. HOPKINS MARRIED IN WALES.

The Bride a Cousin of John Richards, of This City—Will Arrive Here the Latter Part of August—Lecture on Mormonism—Carbondale Man Arrested—Noted Divines Coming, George Reese Arrested—Children Poisoned—Funerals and Other News Notes.

Rev. D. D. Hopkins, of Wales, who has been selected as pastor of the First Welsh Baptist church, was united in marriage recently to a young lady from his native town, whose name could not be learned, but who is a cousin of John Richards, of the firm of Lewis, Wirth & Richards, clothing merchants, of this city.

The news of the wedding was received in this city by relatives a few days ago, but the details could not be learned. Rev. Hopkins was expected here the latter part of this month, but recently wrote a letter to Benjamin Hughes stating that he would begin his pastorate here the first Sunday in September.

Rev. Hopkins is at present engaged in lecturing in Wales, and together with the preparations necessary for his departure, will be unable to come, as expected, this month.

The members of the First Welsh Baptist church will tender Rev. and Mrs. Hopkins a reception upon their arrival here, and while this announcement will come as a surprise to many, it was anticipated by those with whom the gentleman associated during his stay here in the spring.

The new pastor comes exceptionally well recommended and is known as "one of the jewels of Wales." He is probably the youngest man ever called to the Welsh Baptist church, and during the few weeks' engagement he filled here some time ago, made an excellent impression.

SOUTH SCRANTON NOTES. An Attempt Made to Burglarize the Store of John Keenan—John Gillespie Arrested and Charged with the Crime.

Persons having a strong propensity for burglarizing buildings in the Twelfth ward have, as records show, committed their crimes to the 300 block on Prospect avenue.

At an early hour yesterday morning a crowd of young men made an unsuccessful attempt to enter the store building of John Keenan at 303 Prospect avenue. A large plate glass window was removed from its position by the would-be burglars. But alas, in lifting it from the porch to the walk it fell and was smashed into fragments.

The noise of the crash awakened Mr. Keenan. He dressed hurriedly, and, upon reaching the scene, found John Fenton, who he alleges, was the man who lifted it from the porch to the walk it fell and was smashed into fragments.

When arraigned before Alderman Lentes in police court yesterday he pleaded innocence as to having anything to do with the attempted burglary. He was, however, committed to jail for a hearing this morning.

Fenton is still in custody, being held as a witness. The warrants for the accused men charge them with being drunk and disorderly, breaking windows with the intent of committing burglary.

Gillespie, after the hearing on these charges, will have the pleasure of listening to the reading of a warrant which alleges that on June 27 last he stole property from a delivery wagon of the Lackawanna Brewing company. William Geiger, agent for the brewery, will appear as prosecutor.

FUNERAL OF MRS. M'GUIRE. The funeral of the late Mrs. Thomas McGuire took place from her home on Orchard street yesterday. The deep sense of respect entertained for her by the many who knew her was abundantly manifested by the large gathering present at the house.

At 9.30 o'clock the remains were closed from view, and the procession moved to St. Peter's cathedral, where a high mass of requiem was celebrated by Rev. J. A. O'Reilly. Interment was made in Cathedral cemetery.

SHORT PARAGRAPHS. Mary Cabavski, of Minooka, who was struck by a Delaware and Hudson freight engine, Thursday night, when returning from work, was removed to the Lackawanna hospital for treatment yesterday. The injuries sustained are not critical, but demand hospital care.

Albert Guthrie, of the Scranton Savings bank, is spending his vacation at Lake Underwood.

A son, the first born, brightened the home of Mr. and Mrs. R. C. Schaeffer, of Pittston avenue, yesterday.

WELSH BAPTIST OUTING. The members of the Welsh Baptist church, West Market street, with their many friends, enjoyed their annual outing at Nay Aug park yesterday. The cars left the square at 9.30 o'clock for the resort, which is becoming more and more popular every year. The weather was pleasant for a picnic and the young people thoroughly enjoyed themselves.

Some beautiful hymns and patriotic songs were sung and everybody present was very much pleased with their departure.

PITHY PARAGRAPHS. The ladies of the Providence Presbyterian society believe in summer social gatherings as well as winter entertainments, and the response to their announcement for next Tuesday evening and sale of tickets for the "Charles Hartley" evening already indicate that "standing room only" will be the greeting. This will be his first entertainment in the North End of the city and it is reported that there are "itching ears" and "burning eyes" out this way on every tide eagerly waiting to hear and see him.

His ventriloquism, impersonations and dextrous acts of voice and hand are certainly wondrous gifts. The New York press gives him flattering criticism for his entertaining gifts. Several choice musical selections by well known local talent will form pleasing parts of the attractive programme. The occasion will close with an ice cream social. The entire affair is provided for the pleasure of the public by the Ladies' Aid society, Mrs. F. J. Silkman, president.

One of the most delightful events of the week occurred last evening, when the choir of the Providence Presbyterian church gave a reception to the auxiliary choir, consisting of twenty-eight young girls. Besides the two choirs present, a few friends were there as guests, including the members of the session and the board of trustees and their wives. The musical program was light and airy, and, of course, entertaining. The social added to the charm of the occasion.

The Lila Social and Dramatic club of the High Works will hold an important meeting in their hall at 2 o'clock tomorrow afternoon.

The Citizens' Cornet band will give an open air concert this evening in Dutch Can. The band will run an excursion to Mountain park next month. The Eureka and Harmony base ball teams will play on the Carson City grounds tomorrow afternoon.

The Keystone Literary and Dramatic club and the Crystal literary club will cross bats tomorrow morning.

THAT CONSPIRACY ACT. District Attorney Jones to Give the Superior Court an Opportunity of Passing on It—Will Take an Appeal.

District Attorney John R. Jones intends to take an appeal to the Superior court in the case of the commonwealth against George Clark, who is charged with conspiracy.

Mr. Clarke, while acting as a foreman was arrested on a charge of having discharged certain workmen because they were members of the Plumbers' union. He was indicted but when the case was called for trial a motion was made to quash the indictment on the ground that the act on which it was founded was unconstitutional.

In an opinion handed down several weeks ago Judge P. V. Wagner sustained the motion to quash, holding that the act is unconstitutional for the reason that it is special legislation.

The decision has attracted widespread attention and for the purpose of getting an opinion from the higher court on this important matter an appeal is to be taken.

NO SEARCH YET MADE. Disagreement as to Whose Duty It Is to Hunt for the Body.

While the county authorities are discussing the duties of the coroner and the county detective, the insects on the West mountain are feeding on the remains of an unknown man who was discovered there last Monday by a woman berry picker, who reported the case to two young men residing on Continental hill.

The county commissioners have informed Coroner Roberts that it is his duty to view the remains when they are brought down from the mountain, and District Attorney Jones has notified County Detective Leysch that the case is out of his jurisdiction, and that it belongs to the coroner.

Dr. Roberts says there are no funds available to reimburse anybody for searching for the remains, and the commissioners claim the county detective should engage men to do the job, but Mr. Leysch would like to know where the expenses are coming from before he makes a move.

The expense of the police force are congratulating themselves at the West mountain is outside of the city limits. Up to the present writing no searching parties have been organized.

HAPPENINGS IN NORTH SCRANTON

YESTERDAY WAS A BUSY DAY IN ALDERMANIC CIRCLES.

John Gallagher Held in \$800 Bail. Adam Bush Arrested for False Pretenses—Warrant Sworn Out for Mary Schultz and Maggie Mitchell. Mr. and Mrs. D. Thomas Entertain Church Outing Yesterday—One Church Choir Entertains Another. Other Interesting News Notes.

James Gallagher had his son, John Gallagher, arrested and arraigned before Alderman Myers yesterday for assault and battery and threatening to kill. It was a very breezy hearing. Mr. Gallagher testified that his son came home drunk yesterday and pulled him out of bed. John alleges that his father has been drunk for the last three or four days, and he was going to put him out of the house when his father went for him. John was held in \$800 bail to appear at the next term of court.

Sylvester Perlistek swore out a warrant before Alderman Fidler for the arrest of Adam Bush on the charge of obtaining money under false pretense. About six months ago Perlistek was charged for larceny and was committed to the county jail in default of bail. A few days after he was committed to jail, Bush had an interview with him and stated that if Perlistek would give him \$35 he would get him out on bail. Perlistek agreed and gave him his gold watch for security until the Marvino money would pay, when he would give him the \$35. He only received \$25, which he gave to Bush with his gold watch. Bush received the money and watch, but made no effort to get Perlistek out of jail. Instead, he moved to Carbondale. Bush was given a hearing in Carbondale yesterday and held under bail for the next term of court.

John Schultz, of West Market street, swore out a warrant yesterday morning before Alderman Fidler for the arrest of his daughter, Mary Schultz, and Maggie Mitchell, who he alleges, took \$29.25 and some wearing apparel out of one of the boarder's trunks, after which they immediately left for Ashley. Mr. Schultz left yesterday for Ashley to serve the warrant, after which he will bring them to this place for trial.

EVENING RECEPTION. Mr. and Mrs. Daniel Thomas gave a reception at their home on Putnam street last evening. Mrs. Thomas proved herself a charming hostess and treated the guests to a pleasant evening. After some excellent singing and music, cake, ice cream and fruit were served.
