Wilkes-Barre, July 18.-Jimeson was too much for Newark today, the visitors getting only three hits off his delivery. On the other hand McPartland was an easy mark for the Barons, he going to pieces completely in the eighth inning, when the locals batted in seven runs. Score: WILKES-BARRE.

Jennings' telegram to Pulliam, advising him not to buy or exchange him, as his arm is gone, stops all negotiations between the Brooklyn and Louisville clubs looking to an exchange of Wagner for Jennings. Hughey evidently does not want to go with a tail-end team, but it won't break the Louisville magnate's heart if he gets \$7,590 for Wagner in-stead of \$5,000.

## THE MARKETS.

By Associated Press. New York, July 18 .- The stock market continued dull and neglected almost to the point of stagnation today. Prices drifted quite almlessly up and down, except in a few stocks which were influenced by individual casts and net changes for the most part were very small. Today's recovery in Brooklyn Transit amounted to 2 points net and in Metropolitan Street rail-way to 1%. The only movements of any importance were in isolated stocks, mostly industrials. Sugar and Man-hattan showed early depression which was not entirely overcome in the case of the latter, though the former shows a small net gain. American Smelt-ing rose at one time to 2% and general electric 1%; both re-acted a point, New York Air Brake rose 6 points and then dropped 11. The tobacco stocks came in to late demand and gained from 14 to 2%, the latter on Continental tobacco common. Rubber preferred, leather preferred, Tennesse coal, tin plate, federal steel, People's Gas and a few other stocks had periods of strength. New York Central more than recovered yesterday's decline and some firmness was manifest among the grangers, Pacifics and trunk lines, but the coalers, southwesterns and southern stocks showed a slight yielding disposition. The whole day's business footed up to 262,600 shares and Brooklyn Transit, sugar and Manhatian absorbed a large proportion of this.

and prices changes were small and United States 3s declined 14 and the

coupin advanced 14 in the bid price. By Carrington & Cusack. New York, July 18.-The market opened strong and higher with great activity in Brooklyn Rapid Transit,

stocks, particularly in the grangers, which advanced on the large earnings

Prices were held very strong, although trading was small. The feature of the morning was the 8 point advance in New York Air brake, which rose to 223, the highest point on record on rumors of a decision in the West-inghouse case will be handed down this week in favor of the company. Brooklyn Rapid Transit has continued to be the feature on inside support and on buying by traders, who have been active heretofore in attempting to bring about decline. The strikers are now ready to narrow down the ssue very materially. Master Work-Brooklyn Rapid Transit can end the strike within an hour by enforcing the s affected in a measure by the Longshore men's strike, which is rumored to be growing in extent and in Importance. The undertone of the mar-Central is higher on good buying.

Wheat has been very dull at low figures. At this decline of 8 cents per bushel it should certainly be a purchase for an advance. The market closed strong and about
