A Warm Conneilmanic Meeting-The West Side Dog Catcher in a Peck of Trouble-Deaths, Funeral and Other Local News of General In-

When The Tribune man closed his letter on Thursday evening the meeting of the councils in joint session was getting along swimmingly. But later, when Mr. McDonough made a motion to award the contract for paving Broad street to Lynott & Co. and Chairman Joyce said he was out of order and simply referred it to the street committee, the fun began. Mr. Rowman, in very emphatic remarks, stated that this procedure upon the part of the chair was altogether wrong. They had met for the special purpose of awarding the paving and sewer contracts and if the matter was to be disposed of in this manner he would offer a protest and insist upon its being reorded. Chairman Joyce threatened to have Mr. Bowman removed, while the latter dared him to do so, and even intimated that the action of the chairman in referring the proposals was a matter that should be investigated.

For several weeks the West Side has had a genuine dog catcher, Bill Jackson by name, who, until yesterday, was equal to every emergency. Yesterday he ran up against a snag, and that snag was a woman, who became furious when she saw her pet dog tied to the end of a rope, the other end of which was attached to the mongrel confiscator. It seems that the animal had been tied in the yard, but had chewed off the string and become a wanderer. He at once struck up an acquaintance with the official and this was noticed by the children, who notifled their mother. The latter came upon the scene, and after entreaties were of no avail and the officer was about to make off towards the pound with his prize, the woman resorted to sterner measures. She right there and then fell upon the keeper of the canine jail and administered to him a drubbing that will prevent him from assuming his public duties in presentable shape for some time to come. The victorious householder is again in possession of her dog, and the other members of the family are correspondingly happy.

The obsequies of the late Patrick Keating occurred yesterday morning at St. John's church, solemn high mass being conducted by the Rev. Father Dixon. The large edifice was filled by the numerous friends and relatives of the family. The interment was in the Market street cometery. The following were the pall-bearers: Martin and Michael Hart, Edward Kane, Thomas McAndrew, Charles Glimartin and Patrick Nash.

William Milne, a member of the police force of Orange, N. J., is here on his annual vacation. He is the guest of J. F. Smith. The St. Aloysius society goes to Lake

The surface over the Langeliffe mine in Avoca has been settling for the past few days, so much so that the tracks of the Delaware and Hudson went down several inches, but they were speedity repaired. Joseph Lotz will bask in the shady

nooks of Lake Winola tomorrow and be entertained by friends who are summering in that romantic locality.

D. Lamb, of the West Side, who has been in failing health for several months, was in a very critical condition yesterday.

C. C. King arrived from New York yesterday, where he had gone to complete his bookings for Music Hall for the coming season. Many improvemenas are being made to the interior of the theater and on the opening night, which will be about Sept. 1, the audience will be agreeably surprised. The Mitchell All-Star company will be here next month and will have a two weeks' rehearsal before starting out for the season. They will have their headquarters at the Sinclair House. The funeral of the infant son of Mr. and Mrs. John Fisher took place yes-

terday afternoon and interment was made in the West Pittston cemetery. The Italians of the Boston works which comprise a large colony, will hold their annual celebration today and tomorrow. At midnight tonight several hundred dollars worth of fireworks will be exploded.

Wilkes-Barre Beaten Twice.

Lancaster, July 28.-Lancaster and Wilkes-Barre played two games this af-ternoon and Lancaster won both easily, shutting Wilkes-Barre out in the first and taking the second by a score of 9 to 3. In the first game Jimeson was wild and the locals had no trouble bunching hits. The visitors could not touch Wil-helm, whose work and Schaub's batting were the features. Wilkes-Harre could on account of London buying stocks not hit Frazer effectively, either, while here and on an increased supply of Patten was batted hard in the beginning of the second game. Clymer did great shares, work at short. Scores:

THE MARKETS.

Wall Street Review.

By Associated Press. New York, July 28 .- Today's stock market was strong early and traders generally ranged themselves on the long side. The shorts took alarm from yesterday's rise and the continued unward tendency this morning and covered rather extensive lines. London market before the opening here bought considerable amount in this market. The sentimental effect of this buying was even more pronounced than the direct demand for stocks. The recovery in French rentes in Paris also had a stimulating effect, and part of London's buying of Americans was reported to be for continental account. Taken all in all there was sufficient demand for stocks to run the forenoon business up to within 20,000 shares of yesterday's total transactions and considerably over the total for some days of this week. The public showed itself still coy about coining forward and spot; options opened weak at %c. de buil operators in consequence pro-ceeded to take their profits on the ad-The stocks which advanced yesterday and the day before were execially affected and in a number of ases were carried below last night's level. The St. Louis Southwestern stocks, Kansas and Texas preferred. Lake Erie and Western and the trunk lines were examples. There was nevertheless an appreciable increase in commission house business. This was conspicuous in the Grangers, Burlington eading on account of the benefit to the crops from rain. The Coalers were notably strong on the approaching operation of a higher scale of prices and Lackawanna which, in addition, enjoyed the benefit of a reported combination with New York, Chicago and St. Louis rose un extreme 4 points. Louisville was the leader of the market, considered as to both strength and activity. It closed at the top price at a net gain of 2% over yesterday. Since the dividend of 2 per cent, was taken off yesterday morning the stock has risen 4% points. There was an active demand for Sugar all day and the price went to 161%. National Steel was strong on the reported acquirement of

new property and Brooklyn Transit rose an extreme 1%. There was a belated upward movement in some of the southwestern stocks not heretofore affected. Denver and Rio Grande preferred, South Pacific, St. Louis and San Francisco second preferred and the St. Joseph and Grand Island stocks gained from 1 to 5 ponts. The late realizing movement carried prices down from the best and the market closed dull and easy. Tomorrow's bank statement is expected to show another loss in cash owing to operations with the sub-treasury, though there has been a net gain on the interior movement

commercial bills. Total sales, 463,200 Bonds did not respond fully to the strength in stocks but prices are generally higher. Total sales, par value \$2,128,000. United States 5s registered

Sterling exchange was weak and lower
