

EVENTS OF DAY IN WEST SCRANTON

LETTER FROM JOHN SILCOX, A SOLDIER IN CUBA.

Received by Rev. Thomas de Gruchy, of the Jackson Street Baptist Church—Marriage of Harley Enslin and Miss Jennie Harris—Funeral of Brooks Bass—Woman's Relief Corps Social—General News Notes and Personal Paragraphs of Interest.

Rev. Thomas de Gruchy, pastor of the Jackson Street Baptist church, received a letter a few days ago from John Silcox, a member of Company C, Fifteenth United States Infantry, stationed at Puerto Principe, Cuba, in which he says all the Scranton boys in the regiment are well.

He says there is no church to go to where he is and the Cubans are hard to understand when engaged in conversation. His company is stationed in the barracks that was formerly used as a hospital by the Spaniards.

The Cubans are a dirty people, Mr. Silcox says, and there is need of missionaries there as none are doing service among them at present. They have a number of women nurses in the hospitals and good care is taken of the sick soldiers.

A band concert is one of the pleasures enjoyed every evening, and on the fourth a general celebration was held. The officers put up \$100 for the enlisted men to contest for and a display of fireworks was one of the features. Fully twenty thousand people witnessed the display.

Regarding the yellow fever scare, the writer says the doctors think the disease has broken out there, and the soldiers are not permitted to leave the barracks. Silcox expressed the belief that his regiment will return to the states and be sent to Manila before long.

Charles Bone and Miss Jessie James accompanied the couple and stood up with them during the ceremony.

SAM MOTT CAUSED EXCITEMENT ON CEDAR AVENUE.

Marriage of Miss Mary Wetter and John S. Sillman in Sacred Heart Church--Big Jollification Tonight in Celebration of the Beginning of the Work of Constructing the Sewer--News of the Societies of This Part of the City--Sauquoit Mill Excursion.

A lively and somewhat of an exciting time occurred on Cedar avenue, near Alder street, about 5 o'clock last evening.

Sam Mott, of this side, is a carpenter by trade, and is in the ranks of the members of his craft now on strike. Samuel had just emerged from a saloon when two tinnerns with their kit of tools came along.

Sam gave a very ugly look at the men, which they saw, and interpreting the meaning of this glance, they said: "Oh, you needn't look, we are as good as you."

This statement was too much for Sam, and he dismounted the sentiment in very picturesque language. The tinnerns resumed their way, followed by Mott, who kept up his tirade. No blows were struck.

WETTER-SILLMAN NUPTIALS. Miss Mary Wetter, of 318 Willow street, was married to John S. Sillman, of Prospect avenue, last night. The ceremony was performed at 8 o'clock at the Sacred Heart Catholic church on Prospect avenue. Rev. A. Lyhowitz, the pastor, officiated.

Misses Jennie Rogers and Mary Gaffney were the bride's attendants. John Lapack and John Youngkowsky were the groomsmen.

The bride and her maids were attired in becoming costumes. At the conclusion of the ceremony the party retired to the home of the bride, where the reception to friends and guests was given. Mr. Sillman is a clear market factor and a prosperous young business man. He and his wife are prominent and leading young Polish people. They are highly regarded, and have the best wishes of many friends. Their residence will be at 1108 Prospect avenue, where they will commence housekeeping today.

ABOUT THE SEWER. Work on the sewer went on splendidly yesterday, much progress being made. Contractor Coons increased his force of men from fourteen to thirty. A gang of bricklayers will be put to work this morning.

The committee of leading men who worked so hard for the sewer, as was noted in this column yesterday, decided to have a monster celebration tonight in honor of the commencement of operations on the improvement.

DRINK GRAIN-O

after you have concluded that you ought not to drink coffee. It is not a medicine but doctors order it because it is healthful, invigorating and appetizing. It is made from pure grains and has that rich, nut brown color and tastes like the finest grades of coffee and costs about 1/4 as much. It keeps like it and thrives on it best. It is a genuine food drink containing nothing but nourishment. Ask your grocer for Grain-O, the new food drink.
