## TWELVE PAGES.

SCRANTON, AUGUST 5, 1899.

In order to become secretary of war, Elihu Root was obliged to relinquish a yearly salary of \$50,000 as attorney for the Metropolitan Traction company, And yet some people insist that all men enter politics for revenue only.

### A Weak Point in the Law.

The investigation made by the coroner in the case of Mrs. Lena G. Geble, the midwife, discloses a weak place in that this matter of the promiseuous practice of midwifery has been called able. prominently to the attention of the public in order that the force of publie opinion may be bent to the efforts of the reputable physicians of our city upon the community on the strongth a conspiracy to injure somebody's busdersement to be treated in so deliente a branch of medical grantice as ob-There should be not only compulsory certification, but also some form of an expert examination calculated to bring out whether the applicant to practice midwifery has the be trusted to protect themselves. They trouble. must be protected, and the quickest way to do this is to draw the line of the law tight and sharp around every avenue of danger.

with any Alaskan boundary line that will give the Dominion the gold and the United States the snow-drifts.

#### Justified by Results.

What the appointment of Rev. Dr. George E. Reed to the position of state librarian has already accomplished in ized Generals Brooke and Ludlow and parts, trying to devise some plan the way of an improved service in the state library may be left to an "insurgent" organ to tell. The Philadelphia Press was one of the papers which ex- In the United States army; but made pressed displeasure at the dismissal of no such provision for the other mili-Dr. Egie, but a dispatch to it from | tary governors, such as Lee, Wilson, Harrisburg says:
