ITALIAN LYNCHINGS DOWN IN LOUISIANA

SHOWN UP IN A SERIOUS LIGHT BY MARQUIS ROMANO.

The Slaughter of at Least Three of the Victims of the Mob Was Entirely Unprovoked - They Were Taken from the Jail and Killed in Cold Blood-No Extenuating Cir-

Washington, Aug. 8 .- The state de-Philadelphia partment has received from the Italian authorities a copy of the complete report made by the Marquis Romano, secretary of the Italian embassy here, on his personal investigation of the Pittsburg recent lynching of five Italians at Tal-Louisville ... New York

Inlah, La. The report presents the affair in a serious light. As a whole the Italian Cleveland authorities view the matter of the lynching as one of unusual atrocity and without the mitigating circumstances which had been urged in previous affairs of this kind.

In describing the first affray which led up to the lynching, Marquis Romano's report states that Dr. Hodges was the first to draw his weapon and that not until he had fired one shot and was about to fire the second one at Charles Difata, who was at that time prostrate on the ground, did the brother, Joe Difata, fire his shot gun from the store nearby. This last shot, it is pointed out, was in defense of the fallen brother and was not a wanten attack upon Dr. Hodges. The circumstances leading up to the affray are described in detail.

According to this account Charles Difate was alone when Dr. Hodges Baltimore passed. There is no effort made in the report to obscure the fuel that Charles Dicata made the Arst offensive everture. But it is contended that this was not accompanied by the use of firearray or even a movement to Charles Difata upbraided Dr. E. dges in an offensive way for having killed an animal and accompanied this by blow of the fist. Then, it is stated. Lr. Hodges shot at Difata, Whether or not the shot took effect it was not persible for the Italian authorities to leave as the bodies of the men after being lynched were distigure I and disposed of. But at all events, it is stated that Charles Difata was on the ground following the shot from Hodges' wespon.

Joe Difata's Part.

At this point Joe Difata made his appearance, and, seeing his brother down and a second shot about to be fired, shot at Dr. Hodges. Then followed the lynching of those two Italians, Joe Difata and Charles Difata. The mob took them before they had been ar-I'p to this point, according to the Italian report, only these two Italians had figured in the affair. The report goes on to state that throughout the occurrence the three other Italians lynched-Frank Difata, Joseph Feducio and John Cerami-were in another street and did not know what

It is stated that they did not take part in the attack on Dr. Hodges and that they did not even know of it un-I" some time after the local officers came to arrest them. This arrest was accomplished and the three Italians were actually placed in jail. The refort then brings out that the mob. having already lynched Charles and Joe Difata, turned their attention to the three Italians under arrest. Tere these men, Joseph Feducio and the officers and lynched. Subsequently and some little time afterward the and lynched him. In this circumstantial way the report goes or that the mob made three distinct movemeris against the Italians and that ther was sufficient time for the blood to cool and for the anger of the lynchers te abate after they had disposed of the first two men. Particular important is laid upon this feature, for while it is said there may have been extenuating circumstances in visiting such summary punishment on those immediately concerned in the affray with Dr. Hodges, yet the time elapsing be fore the second and third lynchings is regarded as an element of particular atrocity. The full report has been forwarded to the Italian foreign office and a copy of it place! in the hands of the state department.

Defeated Walla Wahs at Athletic Park Yesterday Afternoon.

ST. THOMAS COLLEGE WINS.

In a loosely-played game at Athletic park yesterday afternoon, the St. Thomas College team defeated the Walla Wahs by a score of 9 to 7. So much time was consumed in wrangling and delays that the game was not over until 6.30 a'clock.

When amateurs advertise a game for 3.36, and charge admission, they should remember that the people who pay to see their games become disgusted with delays and disputes, and fresh, 1815af9c. it injures the game.

The features of yesterday's game were dimmed by the leose playing on both sides, and to enumerate either would consume too much space. The

THE MARKETS.

Wall Street Review,

New York, Aug. 8 .- The stock market was a dull affair for the greater part of today, drifting almiessly with-in a harrow range. Some strength was shown by a few isolated stocks throughout the day under influence which was not disclosed by any published news. This persistent strength in some spots seemed to arouse the apprehensions of the bears in the last hour of the market. The manner in which prices were marked up in the late dealings indicated a good deal of a scramble by the shorts to cover their contracts and awakened more appearance of animation and strength than has been seen in the market for some time. The higher prices for Americans made in London were without much effect and they were for the most part nominal and London sold from 12,000 to 15,000 shares here after the opening. reaction followed under realizing in Tobacco and Kansas City, Pittsburg and Gulf. Then the Minneapolis and St. Louis stocks rose 514 and 314 rerespectively. There was a late movement in the

coalers which lifted them from 1 to 2½, with a notable effect on the whole list. Other stocks showing notable gains were Consolidated Gas, 4%, and Pacific coast second, preferred, 2%; Tennessee Coal. Colorado Fuel, People's Gas, Brooklyn Transit, Steel and Wire, American Linseed Oil preferred at other places. The Alcyon, a steam and a few less prominent stocks advessel, had her stern damaged. The vanced a point. A very strong upward movement in Sugar from 159% to 162% was the decisive influence in the late strength of the market, which closed active and strong at net gains in nearly all cases. Total sales, 287,100.

Kansas City, Pittsburg and Gulf firsts reacted in sympathy with the stock. Otherwise changes were small and mixed. Total sales par value, \$1,-

United States bonds unchanged on bid quotations.

CLEVELAND CAR STRIKE.

Militia Leaves the City-Lines of the Road in Operation.

Cleveland, Aug. 8 .- The last company of militia left the city today, the authorities having decided that there is little probability of any further trouble in connection with the street railway strike. So far as the strike itself is concerned there is not the slightest sign that it is any nearer a settlement today than when it was inaugurated.

As a result of the organized fight against the boycott by the wholesale and retail merchants it is rapidly losing its effectiveness and apparently will, in the course of a couple of days, be a thing of the past. The Big Consolidated continues to

operate all of its lines with non-union men, the cars in many cases being well filled with passengers.
