PICNIC OF COLUMBIA HOSE CO. AT ROUND WOODS.

Fully Five Thousand Persons Attended the Affair, Which Was a Great Success in Every Particular. Another Strip of Land Purchased from the D., L. & W. Company. Several Deaths and Funerals-A. O. H. Excursion Tomorrow-Other News Notes and Personals.

The popularity of the Round woods as a pienic resort was practically demenstrated yesterday afternoon and evening, when the members of the ment was made in the Washburn street Columbia Hose and Chemical company held their annual picnic. Fully five thousand people assembled on the and Mrs. George Evans, of Tripp park, grounds, and the dancing pavilion was died yesterday from an attack of diphtotally inadequate to accommodate the

The woods was brilliantly illuminated with arc electric lights and people from every section of the city and surrounding towns were in attendance. The supply of liquid and solid refreshments was exhausted before 9 o'clock and had to be replenished. The entire company, assisted by lady friends and members of the fire department, attended to the wants of the patrons. and the Citizens' band furnished muste for dancing

City officials, members of councils, county officials, professional men, and business men were there, and without doubt it was the largest assembluge ever gathered together at an affair of this kind in the city. The street cur service on the Eynon and Taylor lines was totally unable to accoming date the crowds and hundreds walked to the woods during the evening. Amusements of every description were furnished and the jollity continued un-

til long after midnight. The event was a grand success in every particular and the need of such a resort was fully demonstrated to the satisfaction of everybody present. The boys will realize a nice sum from the affair, which will be utilized in defraving the expenses incurred in entertaining visiting firemen during the envention of Gremon in this city in

Town Council Met Last Evening and Transacted Important Business. Surprise Party-Other Notes.

A special meeting of the town council was held in the borough building last evening Messes McAllister Jones Ward, Weber and McColloch being present. The meeting was called for the purpose of considering bids for laying crosswalks and gutters, and any general business that might come before the body for consideration. A large number of grievances were

reported to the members, especially since the last heavy shower. The street commissioner received instructions to repair several places at once, namely: Fifth street. Willow street.

Borough attorney, John McAskie, was instructed to prepare a decision and report at the next meeting of the board, as to whether the borough is supposed to relay the gutters on the different streets in town or not; many having been washed out and being badly in need of repair.

Samuel Cole was awarded the contract for laying crosswalks at 40 cents per square yard and for re-laying crosswalks and gutters at the rate of 19 cents per square foot. A large number of bids were received, but Mr. Cole's was the lowest and most satisfactory. The walks are to be distributed in the various parts of the borough each councilman having a certain number. Work will be begun as
