

CARBONDALE.

JAMES QUINN'S CONDITION.

May Also Succumb to Injuries Received in Fight with Gallaghers.

James Quinn, Jr., is in a critical condition and scarcely any hopes are entertained for his recovery.

Sunday night Constable Moran arrested Joseph and Thomas Gallagher, their mother, and their grandmother, Mrs. Dempsey. Yesterday morning they were taken before Squire Atkinson and committed to the county jail without bail on the charge of murder. All of the prisoners refused to make any statements. On account of the critical condition of James Quinn, Jr., he was unable to appear at the hearing. His wife is also critically ill.

Yesterday morning a warrant was sworn out by Quinn, Jr., for the arrest of the two Gallaghers, their mother and grandmother, on the charge of murderous assault, which charge they will have to answer when the murder case is disposed of.

When the victims of the riot were removed to their homes Squire Atkinson, of the Fourth ward of Carbondale, was immediately summoned for the purpose of taking ante-mortem statements. James Quinn, sr., did not regain consciousness after he died and therefore no statement was made by him, but his son, James Quinn, Jr., made the following, under oath, to the coroner, which was written in the presence of witnesses:

ANTE-MORTEM STATEMENT.

"I met Joseph Gallagher on the morning of August 13, 1899, and we quarreled over some political troubles of long standing. We came together, but were separated by friends. We met in the afternoon again. Gallagher told me that I had insulted him on the street. After some quarrelling I turned around and was struck by a stone and rendered unconscious.

"As I was coming to myself I saw the form of my father lying beside me, covered with blood. Standing over us were Thomas Gallagher, Annie Gallagher and Mrs. Dempsey."

Coroner Roberts, who arrived in town yesterday to investigate the Quinn murder case, summoned the following jury: William Morrison, P. H. Murray, J. T. McAndrew, E. J. Neary, W. F. Loftus and S. S. Jones, who repaired to the scene of the murder. After viewing the remains, an autopsy was held by the coroner, assisted by Dr. Gillis. It was found that the skull on the left side back of the ear was crushed, and the jaw. The ear was split open, the gash showing that the instrument used had a rough or jagged edge. The fracture of the skull extended around to the base of the brain. The fracture plainly shows that the blow must have been a terrific one. A stone was found nearby having human hair upon it. The inquest will be held at the office of Alderman Jones this evening, commencing at 7 o'clock.

COUNCIL MEETING.

The Commoners Dispose of a Raft of City Business.

Common council met in regular session last evening and acted favorably upon a large amount of concurrent business embracing bills and resolutions. Mr. Kennedy introduced two resolutions which will be of more than ordinary interest to the public.

The first provides that after the passage of the resolution the public library shall be placed on the second floor of the city building in a room formerly occupied by the Lackawanna club; that police headquarters be removed to the room vacated by the library and that the board of health be given the old Lackawanna club card room.

The other resolution authorizes the drawing of an ordinance fixing a tax of fifty cents per annum on each pole in the city, used for electric light, telegraph and telephone purposes.

The Port Jervis base ball team came to Honedale and played with the home team last Friday and Saturday. Two batters of the Port Jervis team were hit by the ball from the pitcher's hand, which spoiled the pleasure of the game on Friday. The score stood 20 to 1 in favor of Honedale. The Saturday game resulted in the following score: Port Jervis.....3 0 0 0 0 0-3 Honedale.....0 9 2 2 1 4-9 Batteries—Port Jervis, Parnham and Fischer; Honedale, Golden and Tracy. Umpire—George Voight.

JERMYN AND MAYFIELD.

Accidentally Injured—Reunion of the Adams Family—Church Picnic Lawn Social Postponed—Disgraceful Disturbance—Personal News.

Henry Stephenson, son of Mr. and Mrs. Charles Stephenson, of Mayfield, was injured in the Glenwood colliery yesterday, where he is employed as a driver. While riding on the bumper of a car the car was derailed and fastened the heel of the boy's shoe in such a manner as to cause a dislocation of the ankle. The attending physician is of the belief that a small bone of the foot is also fractured.

The news of the death of James Quinn, sr., at Powderly on Sunday under such deplorable circumstances was much regretted by many people in both Jermyn and Mayfield, who have known him for many years. About one month ago my child, which is fifteen months old, had an attack of diarrhea accompanied by vomiting. I gave it such remedies as are usually given in such cases, but as nothing gave relief, we sent for a physician and it was under his care for a week. At this time the child had been sick for about ten days and was having about twenty-five operations of the bowels every day. I had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended, and I decided to try it. I soon noticed a change for the better; by its continued use a complete cure was brought about and it is now perfectly healthy.—C. L. Boggs, Stumptown, Gilmer Co., W. Va. by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed, you have a humming sound or ringing in the ears, and when it is entirely implosed hearing, and when it is so implosed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness caused by catarrh that can be cured by Hall's Catarrh Cure. Send for circulars, free.
