CARBONDALE.

SCARCITY OF LABOR.

Not in years has there been such a scarcity of unskilled labor in Carbondale as at present. Every man willing to wield a pick or shovel seems to be employed. The independent spirit this condition begets was demonstrated at the Anthracite park coal storage plant when one of the bosses said to one of a gang working in the hot sun: "Come, push things along a little faster, there." The fellow pulled out his watch and said: "It is 10 o'clock; give me my time." "What for?" inquired the "Well, I'm doing the best I can and I don't propose to be dogged a day like this; I can get plenty of work. Twenty-nine others were of the same opinion and left with him.

The burglars gained entrance by a back kitchen window. Mr. and Mrs. Smith were asleep in the room from which the money was taken. Watches and other valuables in the same room were not disturbed. Indications are that someone familiar with conditions about the Smith home committed the crime. No clue has been

TUNKHANNOCK. The Democrats of Wyoming county met in convention at the court house here on Monday for the purpose of nominating candidates for county offices. The convention was called to order by County Chairman A. H. Squier, and the roll of delegates was called by Secretary, J. Wood Platt After a few remarks from the chairnan the convention organized by electing Professor Osborn, of Nicholson porough, permanent chairman. Delegates Kelley, of Nicholson borough, and Sherwood, of Meshoppen borough, were appointed secretaries and J. Wood Platt, of Tunkhannock borough, reading clerk. For the office of sheriff there was but one nomination, John W. Grrv, of Monroe, and he was nominated by acclamation. For prothono tary, John B. Donovan, of Laceyville was named and he being the only nomiwas declared nominated. For register and recorder, the only name presented was Joseph Stickler, of Falls. and he became the nominee of the convention. The only fight of the day was for the office of co Hope, of North Branch;

The candidates were Graham, of Tunkhannock township; Place, of Falls; Miles, of Eaton; Farr, of Nicholson borough, and Vaughn, of Mehoopany. On the ninth ballot Farr received a majority and was declared nominated; and after four more ballots Vaughn received sufficient votes and became the other candidate. For county auditor George D. Wright, of Braintrim, and N. L. Miles, of Eaton, were nominated. The resolutions adopted were sweeping in their character, condemning the Republican party in general from the national administration down to the local county officers and commending the course of their representative in the legislature, Hon. A. H. Squier. They pledged their candidates to a clean, business-like administration of county affairs. The convention was a har-

monlous gathering and the general expression of opinion seemed to be that this would be a Democratic year. H. F. Metcalf and family, who have been spending the last two weeks at Lake Carey, came home on Tuesday.

H. C. Bunnell, an ex-county commissioner, of Meshoppen township, was in Tunkhannock on Monday. O. E. Reynolds, of West Nicholson, recently nominated by the Republicans
