Building of the New Catholic Church. Traction Company Using New Motors-Personal and Other Notes.

Mulherin & Judge, who have the contract for the building of the new Catholic church in this town, are having lumber hauled for the same. The foundation has been completed for some time past, but owing to the grievance of the Building Trades council further work was discontinued. The plans submitted for the above church are of the finest design and when finished it will be an ornament to the town and one of the which the parishoners may well feel proud.
