THEATRICAL.

Dummore, Aug. 28, 1899. IN THE COURT OF COMMON PLEAS of Lackawanna county, No. 1681. Sep-tember term, 1899. Notice is hereby given that an aplication will be made to said court or one of the judges thereof on Monday, the 11th day of September. 1899. at 5 o'clock a. m., under the Act of As-sembly of the Commonwealth of Penn-sylvania, crititled "An Act to provide for the incorporation and regulation of cer-tain corporations," approved April 25, 1854. and the supplemnts thereto, for a charter of an intended corporation to be called the "Hyde Park Shaft Miners' and La-borers' Fund." the character and object whereof is to provide a fund for the phy-ment of weekly benefits to its members in case of accident and functual benefits upon the death of members from funds collected therein, and for these purposes to have, possess and onloy all the rights benefits and privileges of the said Act of Assembly and its supplements. The pro-posed charter is now on file in the Pro-thonotary's offic. One of the most important attractions that will appear here during this season is Sydney Rosenfeld's great laughing success, "The Purple Lady," which will be remembered for its long run at the Bljou theatre, New York, last spring. It will be given here at the Lyceum theatre on Friday evening in the same original manner and with a company of prominent players. In quoting the New York press, it is conceded to be "the funniest farce pro-

duced in New York for years."

"A Trip to Chinatown."

Monday, Sept. 4, afternoon and evenng, at the Lyceum, "A Trip to Chinatown," a comedy by Charles Hoyt, famous the world over as being the greatest financial and artistic success known to the American stage, will be presented in a revised and up-to-date form. The present production of "Chinatown" is a sort of a revival and it is said to be a most elaborate one as to scenery, stage accessories, costumes, and special care has been taken. to present it with a cast superior to any ever organized.

Many Famous Plays.

"On the Mississippi" had a run of over a year in London; "The Pulse of New York" is one of the successes of the country; "A Soldier of France" is one of the strongest romantic plays ever produced; "The Bowery Girl" had long run in New York; "Miss Cleopatra" is one of the strongest comedies on the stage; "The Octoroon" achieved unprecedented triumphs at the Academy of Music in New York. These are but a few of the many successes presented by the Wolford Sheridan company, which is announced to appear at the Academy of Music all next week. The company includes many popular artists who are more than ordinarily well known, and who invariably become local favorites wherever they appear. Professor J. W. Hampton's dog. cat and monkey circus will be seen at every performance.
