MEETING OF BOARD OF TRADE LAST EVENING.

Two New Members Elected and Verbal Reports Made by Several Members-President Daniels Takes Exception to The Tribune's Comment. Tenth Death in a Family in Less Than a Year-Two Weddings Yesterday-Welsh Tea Party-General News Notes and Personals.

It was after 9 o'clock last evening before the meeting of the West Side board of trade was called to order. Only a half dozen members had put in an appearance and President Daniels held the proxy of an absent member and thus counted a quorum. Besides the president and secretary, Joseph Oliver, there were present Toomas E. Price, D. D. Evans, P. F. Struppler and H. D. Jones. After some business had been transacted, T. Fellows Mason put in an appearance.

The reading of the minutes of the last meeting were dispensed with and the names of Robert J. Williams and J. S. Swisher were proposed for membership. They were unanimously Several bills were ordered elected. pald and the secretary was instructed to notify Chairman Clarke, of the manufacturers' committee, that an acre of ground had been offered in Farr Heights for the location of any industry the board endorsed.

H. D. Jones reported that the contractors expect to complete the Hyde Park avenue pave during the present T. Fellows Mason reported that 2,000 feet of pipe had already been taid in a private sewer in the Fif-teenth ward and several hundred more will be put down before it is completed.

The board wants to go on record as favoring appropriations for sewers before anything else is voted for.

President Daniels takes exception to statements made in this department a month ago relative to the board's failure to get industries to locate here, but the fact remains that but one member volunteered to invest his money in the only industry that could possibly have been secure i if a desirable site was offered. The board's long-suit is to favor most any improvement contemplated and if the city fathers see fit to make said improvement the board is not slow to claim credit for it.

CUBAN NEWSPAPER SUSPENDS.

It Advocated Harmony Between Cubans and Spaniards. Bayana, Sept. 12.-The Diarlo de la

Mariana today says: "Cuba, a leading newspaper of Ma-

rangas, which advocated harmony among the Cubans and Spaniards, has suspended owing to lack of support. The chief editorial writer was very uncomplete owing to his refusal to indorse the assassination of Lobregat and simiar outrages against Spaniards." General Quintin Bandera, at a recent

neeting of the local committee of the National party, remarked that he had heard it said he is an enemy of General Gomez. That, he asserted, is not true. but he maintains it was not necessary for the Cubans to send petitions to Washington in order to ask the Americans when they were going.

"With concord among the Cubaus," he added, "the Americans would go sure enough."

Jose Fernandez Lobregat, a Spanard, who had been an agent of General Weyler, and who had been accused of attacking defenseless women and dilling children, arrived at San Antonio de los Ranos, Cuba, June 5, last, and his appearance was the signal for gathering of relatives and friends of those whom he was charged with having formerly persecuted. The excitement continued throughout the day and night, and at about midnight a crowd surrounded the house where he was stopping and began to threaten him. He attempted to escape, and on meeting the demonstrators, emptied his reolver at them, wounding two persons. The crowd then closed in and captured him, and he was lynched in the public BOURTS.
