

CARBONDALE.

Officers were elected as follows: President, T. J. Tallman; vice-president, W. P. Tallman; secretary, Mrs. Jennie Quirk; committee on music, Mrs. Frank Holmes, Maud Tallman, C. S. Bryant, on entertainment, Jennie Robinson, Mrs. Della Taylor and Mrs. Ralph Blair, of this city.

The next meeting will be held with P. M. Tallman in this city on the fourth Wednesday in August, 1900.

CRACKED THE SAFE.

Employees of the Erie, Glenwood and Keystone collieries received their wages for August yesterday. The pay was one day late. The combination of the safe in which the money was expressed got out of order. The paymaster thought a wrong combination sheet had been sent and after an exchange of telegraphic messages between this city and the metropolis instructions came to blow open the safe. This was done.

ITALIAN WEDDING.

The Dundaff street home of Gabriel Pugliano was the scene of a very pretty wedding Thursday evening. Antonio C. Musser and Marie Talon were the contracting parties. The bride was attired in pink silk and looked very pretty. She is a member of an aristocratic family in Italy and has been in this country only five months. Alderman S. S. Jones performed the ceremony.

FECKVILLE.

Joe Benovick, a Poleander, who resides at the Sterrick Creek patch, may well be thankful that he is still in the land of the living. His escape from death yesterday caused the many who witnessed his hairbreadth escape to shudder and turn their eyes away in horror. Benovick had been to Olyphant and was returning to his home under the influence of liquor, taking the Delaware and Hudson tracks as his guide.

He had nearly reached his destination when passenger train No. 9 overtook him. The engineer blew his whistle and Benovick made a few extra circles and the onlookers thought he had anchored himself at a safe distance from the rapidly approaching train. But not so, for just as the engine was about to pass him he staggered forward and before he could bring himself together to stop he had collided with the pilot of the engine and he was hurled to the ground with much force and rolled along, his legs and arms flailing in the air. An Assistant Station Agent R. W. Hoeffcker and several others who witnessed the accident quickly went to the man and carried him to the depot. He appeared to be dazed but after resting a few minutes he started for his home nearby and last evening stated that he was all right and was as good as any man in the patch yet.

Services in the Presbyterian church Sunday at 10:30 a. m. and 7:30 p. m. Rev. S. H. Moon, D. D., pastor. Subject in morning, "Consecration" even-

ing. "BURNING MONEY." The most precious possession on earth is perfect health. It is the ground-work of all prosperity in life; and few people realize any reasonable expenditure which will be the means of restoring it; but one of the best health for two years. Had such all through me, numb hands, cold feet, and everything I ate distressed me; my bowels were constipated, I was very nervous, depressed and despondent. When I first wrote you I thought I had sent you for some of those six bottles of Dr. Pierce's Golden Medical Discovery, and my health is now good. You have my honest recommendation to all sufferers. I think there is no medicine in the world as good as Dr. Pierce's.

"Your kindness to me I can never forget," writes Mrs. John E. G. of Lawrence, Shiloh Co., Mo. "I cannot express half my feelings of gratitude to you. I had despaired of ever getting well. I had been in bed for two years. Had such all through me, numb hands, cold feet, and everything I ate distressed me; my bowels were constipated, I was very nervous, depressed and despondent. When I first wrote you I thought I had sent you for some of those six bottles of Dr. Pierce's Golden Medical Discovery, and my health is now good. You have my honest recommendation to all sufferers. I think there is no medicine in the world as good as Dr. Pierce's."

"I had spent lots of money for doctor bills and I had almost given up in despair," says Mrs. Ella Schall, of Moseheim, Lurere Co., Pa. in a sincere letter to Dr. R. V. Pierce, of Buffalo, N. Y. "Then I told my husband I was going to write to you. I am very glad I did so. You remember my case was a case of the breast. Dr. Pierce's Golden Medical Discovery cured me in one month's time."
