On Sunday afternoon will take place the laying of the corner stone of the new church of St. Mark's Lutheran new church of St. Mark's Lutheran congregation, corner Fourteenth and Washburn streets. The wall is completed and the work of erecting the Recitation, "I Would Not Live Aledifice will be pushed as rapidly possible. A few historical facts of the congregation may be noted. The initlatory steps of establishing a church in this place were taken April 5, 1891, when a Sunday school was organized by Rev. E. L. Miller, then paster of Holy Trinity Lutheran church, in the Postlude city. St. Mark's congregation was organized on Sept. 7, of the same year. The corner stone of the present chapel was laid Nov. 13, 1892, and the chapel was first occupied for worship, Feb. 19, 1893. The congregation had taken steps for erecting a new church during the summer of 1898, but owing to adverse circumstances work was postnoned until this year. There are still many difficulties to be overcome but yet everything looks promising for . successful Issue.

The following will be the program: of the ceremony of the laying of the corner stone:

Mrs. G. W. Palmer, of Jonesville, Vt., says: "Two years ago I was afflicted with stomach and bowel trouble. My case puzzled the doctors. I

subsisted only on the lightest kind of diet. My stomach would not retain solid food. The pain in my stomach and bowels was so intense that I cannot describe it. I continued to grow worse. I lost 48 pounds, my nerves were completely shattered, and I was very weak. Dr. C.W. Jacobs, of Richmond, advised me to take Dr. Williams' Pink Pills for Pale People. I began to use the pills, and the first effect was the restoration of my appetite, and the quieting of my shattered nervous system. I began to regain my lost strength, and in one month after commencing to take the pills I was able to do my housework. I have gained 30 pounds and to-day am in good health."-From the Free Press, Burlington, Vt.

Dr. Williams' Pink Pills for Pale People contain, in a condensed form, all the ele-ments necessary to give new life and rich-ness to the blood and restore shattered nerves.
