CARBONDALE.

THE SCHOOL BOARD.

Instead of kicking on the school tax the taxpayers of this district should show their appreciation of the econo-mical way in which the board of control is managing its affairs. Last your with a reduced state appropriation and a smaller tax duplicate, the board has by judicious work saved nearly \$3,000, besides providing more schools than ever. This money is in the bank and will be used for bond redemption. The recent bond issue-originated by Treasurer Dimock and successfully carried through by the board-brought an immediate profit of \$2,000 and will save the district nearly \$400 annually Instead of paying for twenty years. six per cent on \$19,200 it is paying little more than three and one-quarter. school board has certainly distinguished itself by able financiering.

Pocono, Delaware Water Gap, Port Jervis and other points and with the exception of one day had agreeable weather during their entire journey, which was one of much pleasure The funeral of Roswell Patterson will be held at the residence at 2.39 this afternoon. Rev. Charles Lee will officiate. The remains may be viewed

The Republican primarics will be held this evening between the hours of ball team. Mr. Thomas Samuels is a candidate 4 and 7 o'clock The return judges are Thomas J. Williams, First ward: Wm. ward at today's election. Bennett, Second ward: H. A. Willman,

The two sides stood even. The Scranton men then kept up a steady gain and finished with seven birds to their credit. The score was as follows, each man shooting at nine birds with the exeption of Mason and Allen, who shot at eight birds each: Scranton-Spencer, 9; Beverage, 8; Van Storch, 6 nowden, 3; Price, 8; Mason, 5, Peckville-Goyne, 5; Shone, 6; Reese, 6; Graham, 5; Pierce, 6; Allen, 4. The water pressure on the Archbald Water company's mains is way down below fire-fighting pressure and should a fire break out our fire company would be handicapped the same as when No. 1 school building burned. The Water company is supplying Jessup, Winton and Olyphant at the present time and this cuts down the pressure. Council should see that some arrangenent is made in case of a fire, that the gates could be closed and the fighting of fire by the hose company be made possible. At present the hose company would have to sit idly by and let he flames have full sway. Services in the Presbyterian church Sunday at 10.30 a, m. and 7.30 p. m. Rev. Fred H. Watkins, of Brandt, Pa., may be expected to preach morning and evening. All welcome. Rev. S. H. Moon, D. D., pastor, TAYLOR NEWS.
