THE INDEPENDENT MOVEMENT LAUNCHED YESTERDAY.

Nomination Papers Taken Out by Well Known Democrats-No Opposition to the Democratic Candidate for Prothonotary-Regular Party Leaders Are Discouraged-A Bitter Fight Anticipated.

Special to The Scranton Tribune

Stroudsburg, Sept. 29 .- The independent movement was launched today. Nomination papers have been taken out by ex-County Treasurer Simpson Fetherman and Maurice Nauman. Both men are well known Democrats and have filled the office of county treasurer acceptably years ago. Fetherman announces himself as a candidate for county treasurer and Nauman goes on the independent ticket as a candidate for county commissioner. It is believed that William L. Andre, who the independent leaders had expected to run for register and recorder, will not be a candidate. There will be no opposition to the regular Democratic candidate for prothonotary. The present incumbent, William F. Decker, has filled the office acceptably and the independent leaders will not run a man against him. The regular Democratic leaders in the county all along have discouraged the movement and hoped that their regular ticket would be unopposed.

The Republicans in the present fight between the Democrats are somewhat divided. County Chairman John T. Palmer favors supporting the inde-pendent ticket in the hope that the Republican party will be strengthened in Monroe. Ex-County Chairman A. C. Jansen also favors the independent movement. Other equally prominent Republicans believe that the best thing for the Republican party at this time is to stand by the regularly nominated Republican ticket. This is the first time for years that an indepen dent movement has been started. The Democrats have had their own way in the county for years and will make a bitter fight at the coming election to elect the regular Democratic ticket.

REAL YOUTH. STR. When you see a man old enough to be a grandfather B pick up a

trunk and march off with it on his shoulder you realize that a man may be young almost any age if his blood contains the elements that youth is made of. That is the sort of youth that

Dr. Fierce's Golden Medical Discovery puts into a man's veins. It gives him digestive power; it turns his food into good nourishing blood; it enables the liver to keep that blood pure and free from bilious poisons. It fills him with muscular strength and vitality. It makes him in the truest sense young again, and keeps him so.
